.....Arakawa Hiromu's new direction.....should, should she have stepped on it?

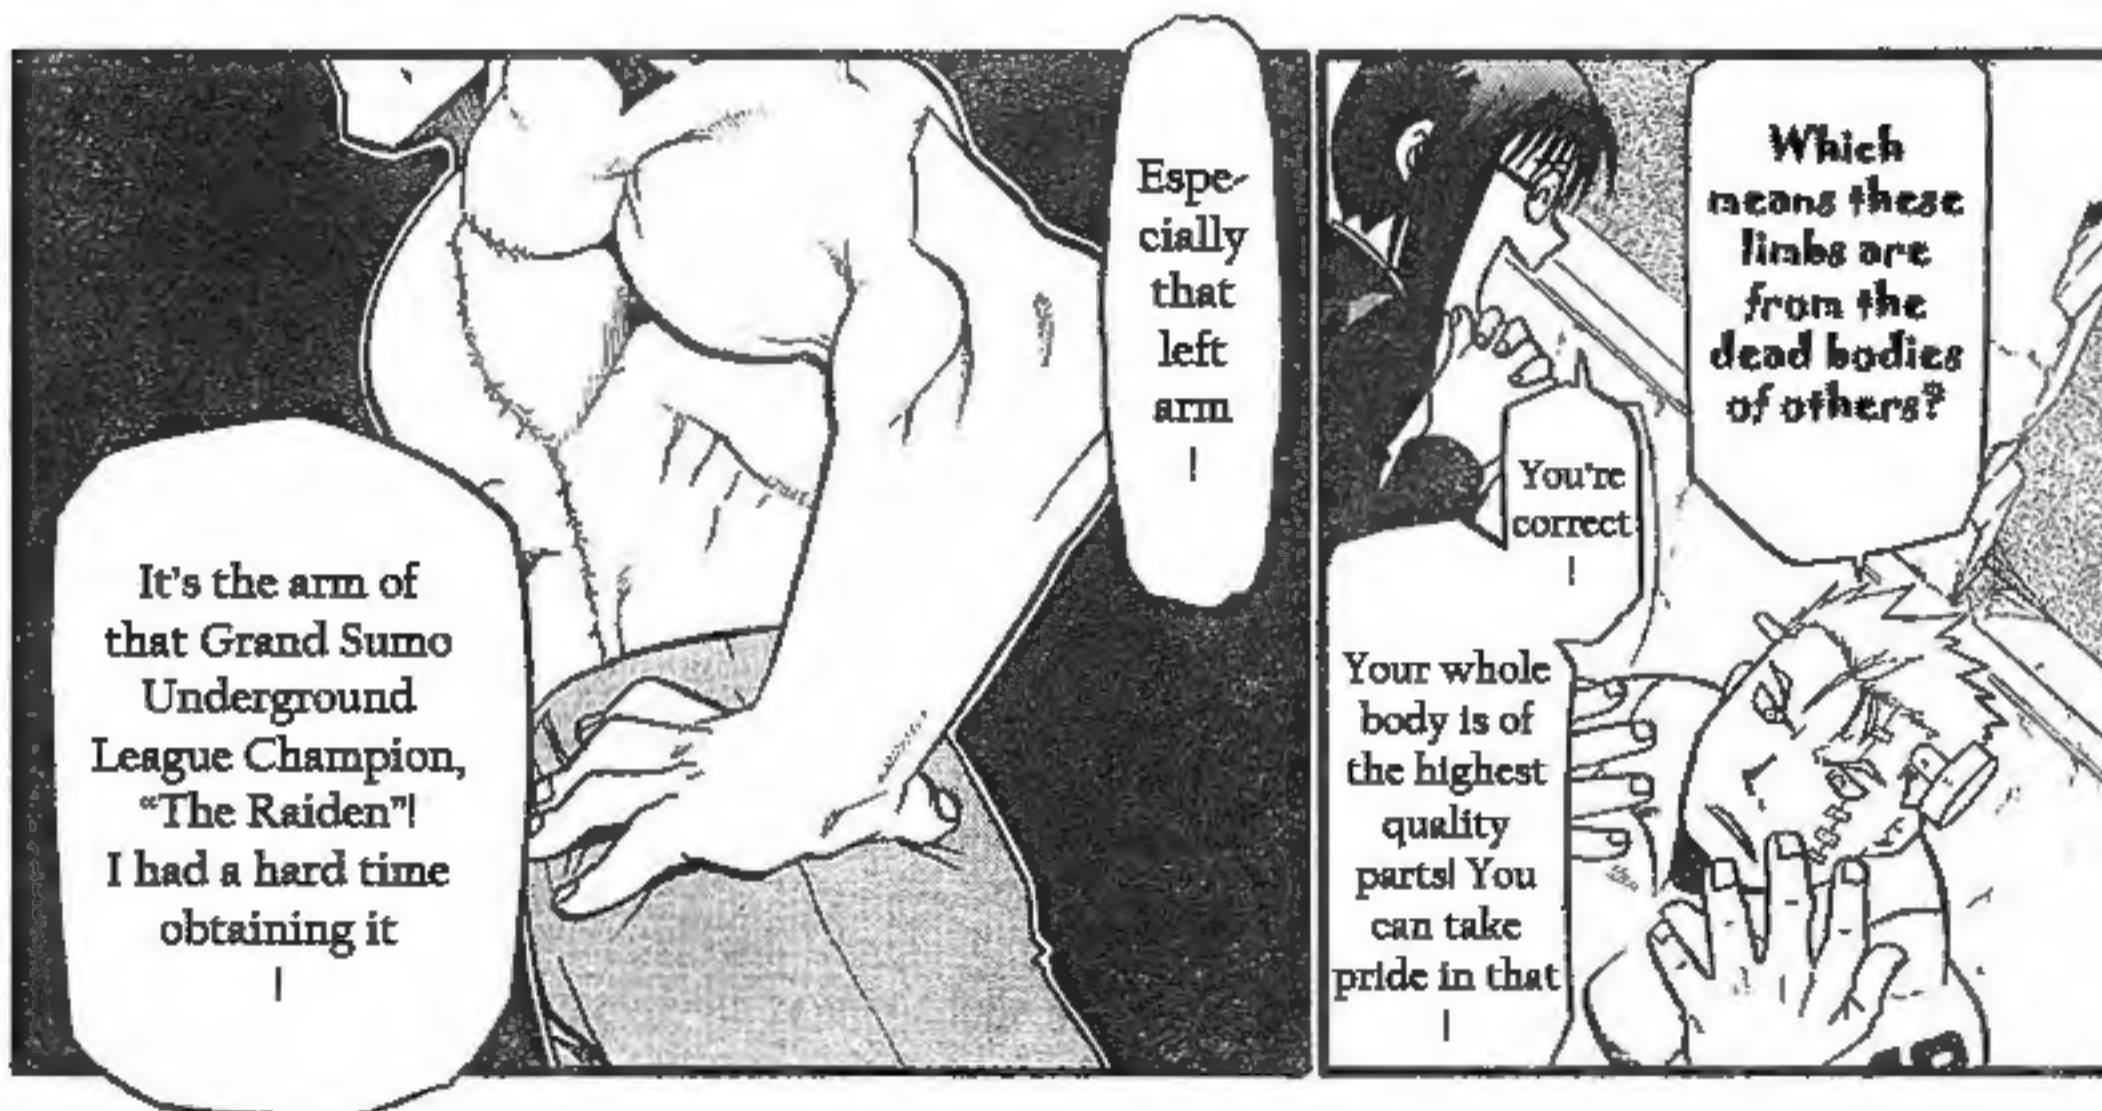

The Creature
which was
created that
way, Raiden-18

Is
you.

Eh

www.anime-source.com

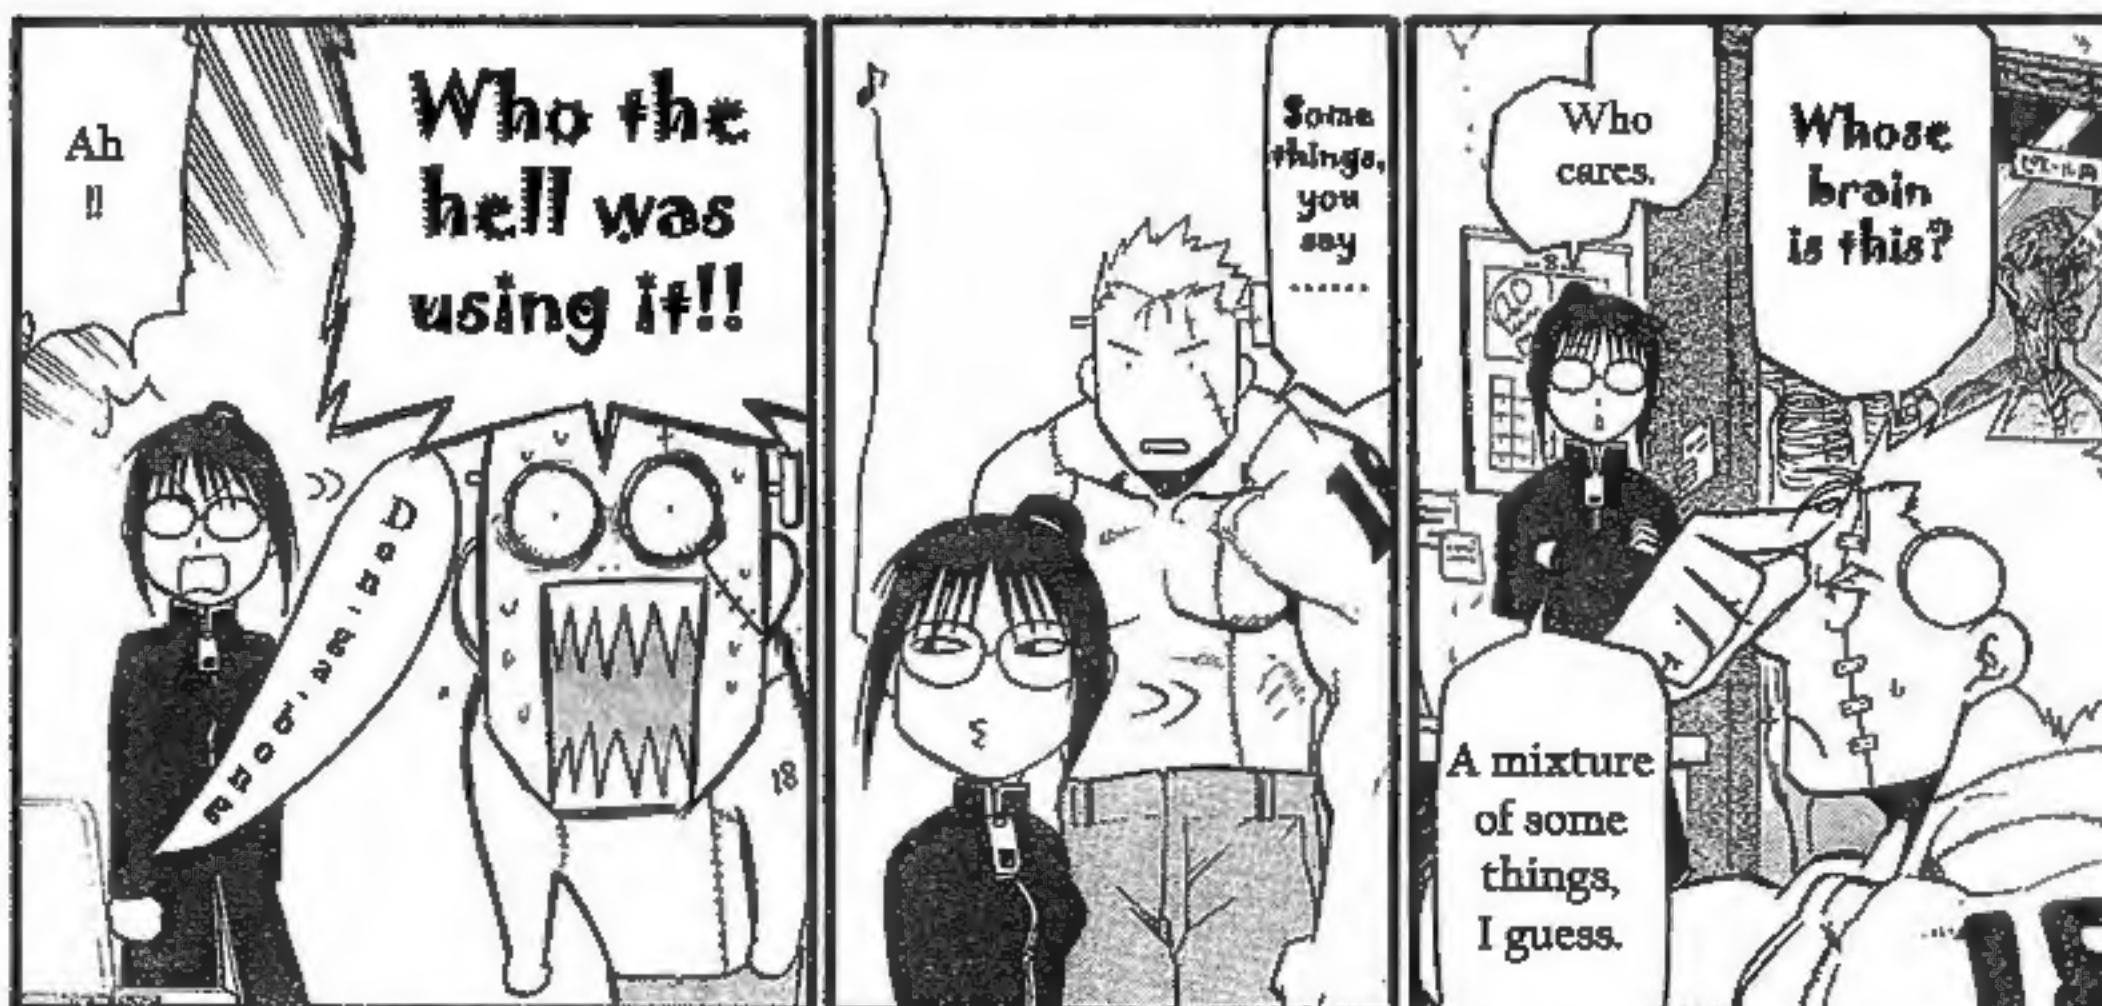

Espe-
cially
that
left
arm
|

It's the arm of
that Grand Sumo
Underground
League Champion,
"The Raiden"!
I had a hard time
obtaining it
|

Which
means these
limbs are
from the
dead bodies
of others?

You're
correct
|

Your whole
body is of
the highest
quality
parts! You
can take
pride in that
|

Ah
!!

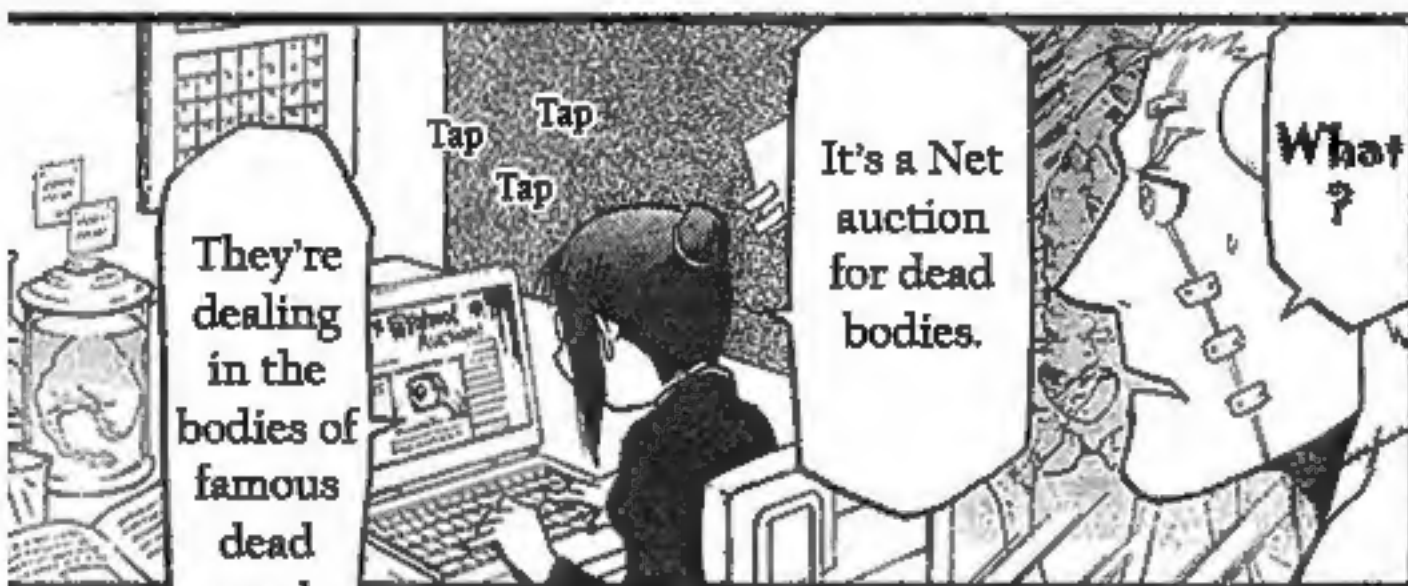

Who the
hell was
using it!!

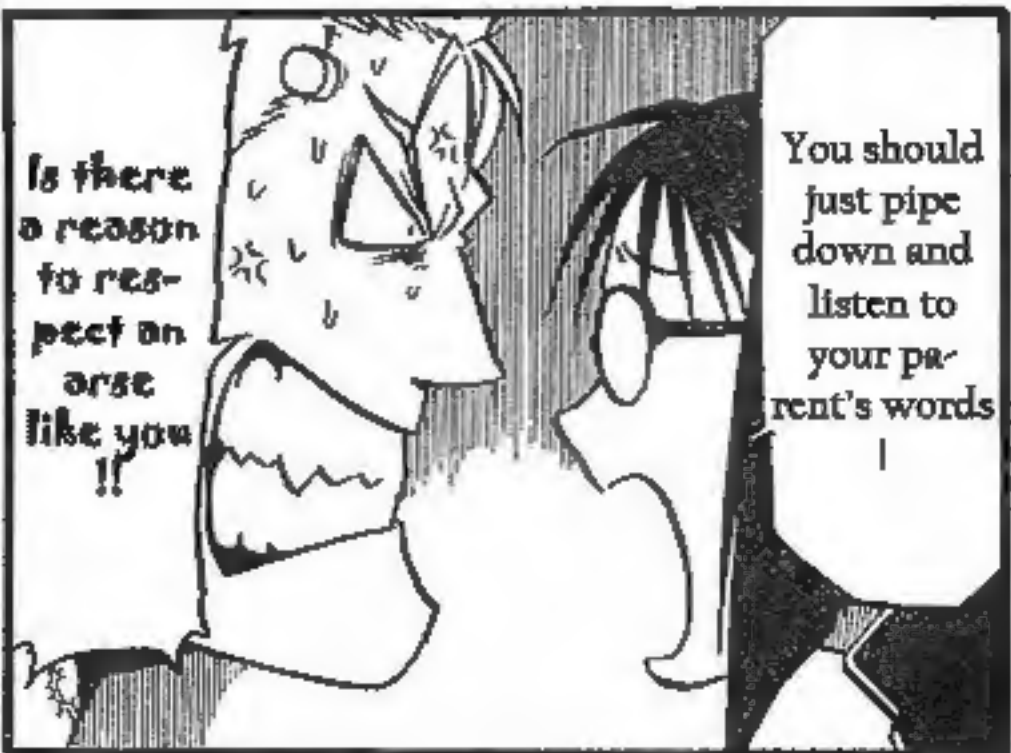

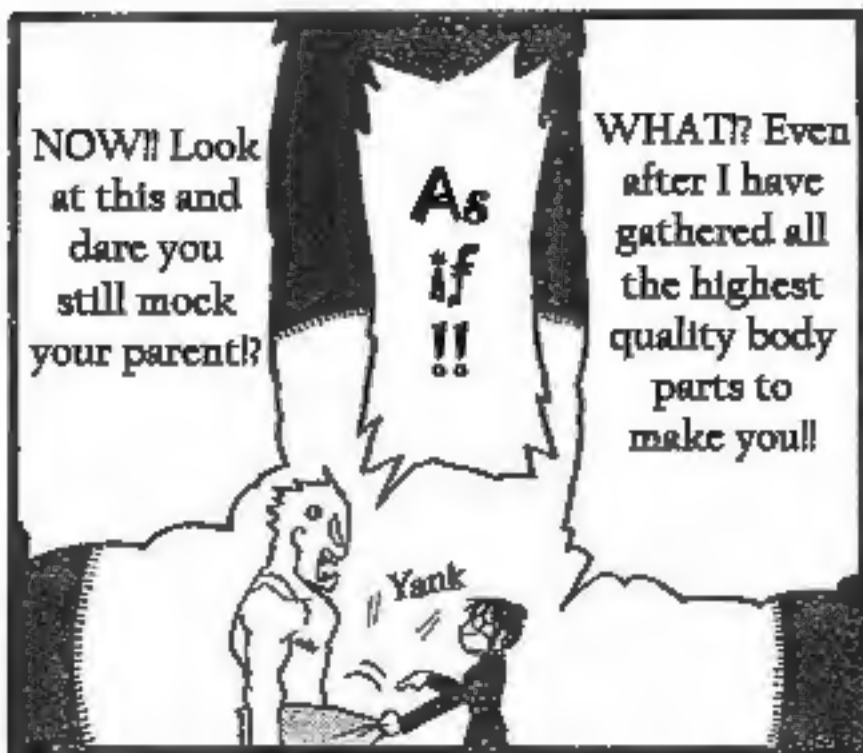

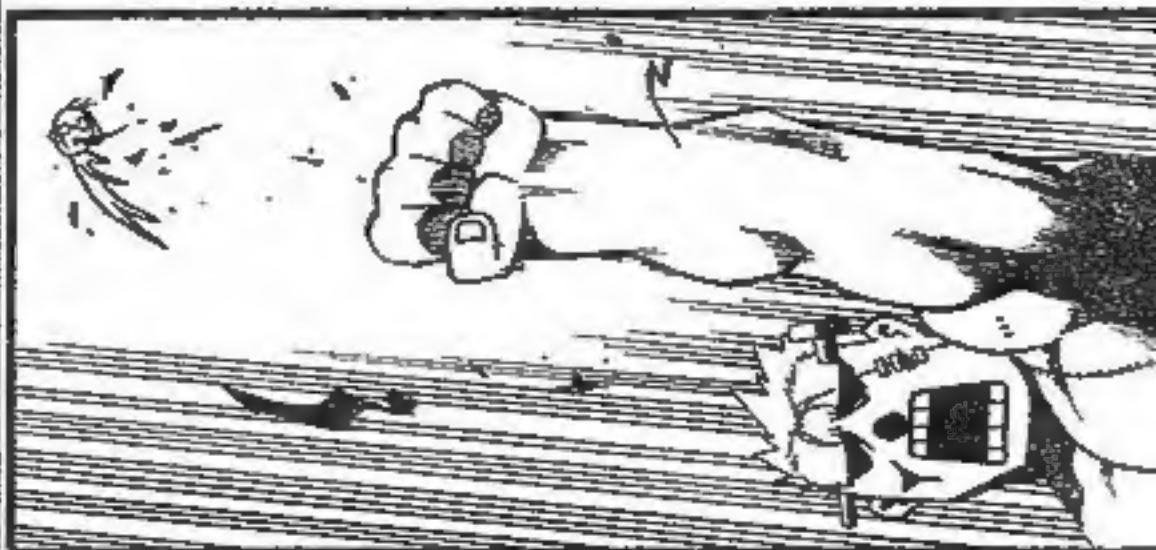

Some
things,
you
say
.....

Who
cares.

Whose
brain
is this?

A mixture
of some
things,
I guess.

Let's go,
Raiden!

Now, you've
just received
an under-
standing of
the greatness
of a parent.....

Where
to?

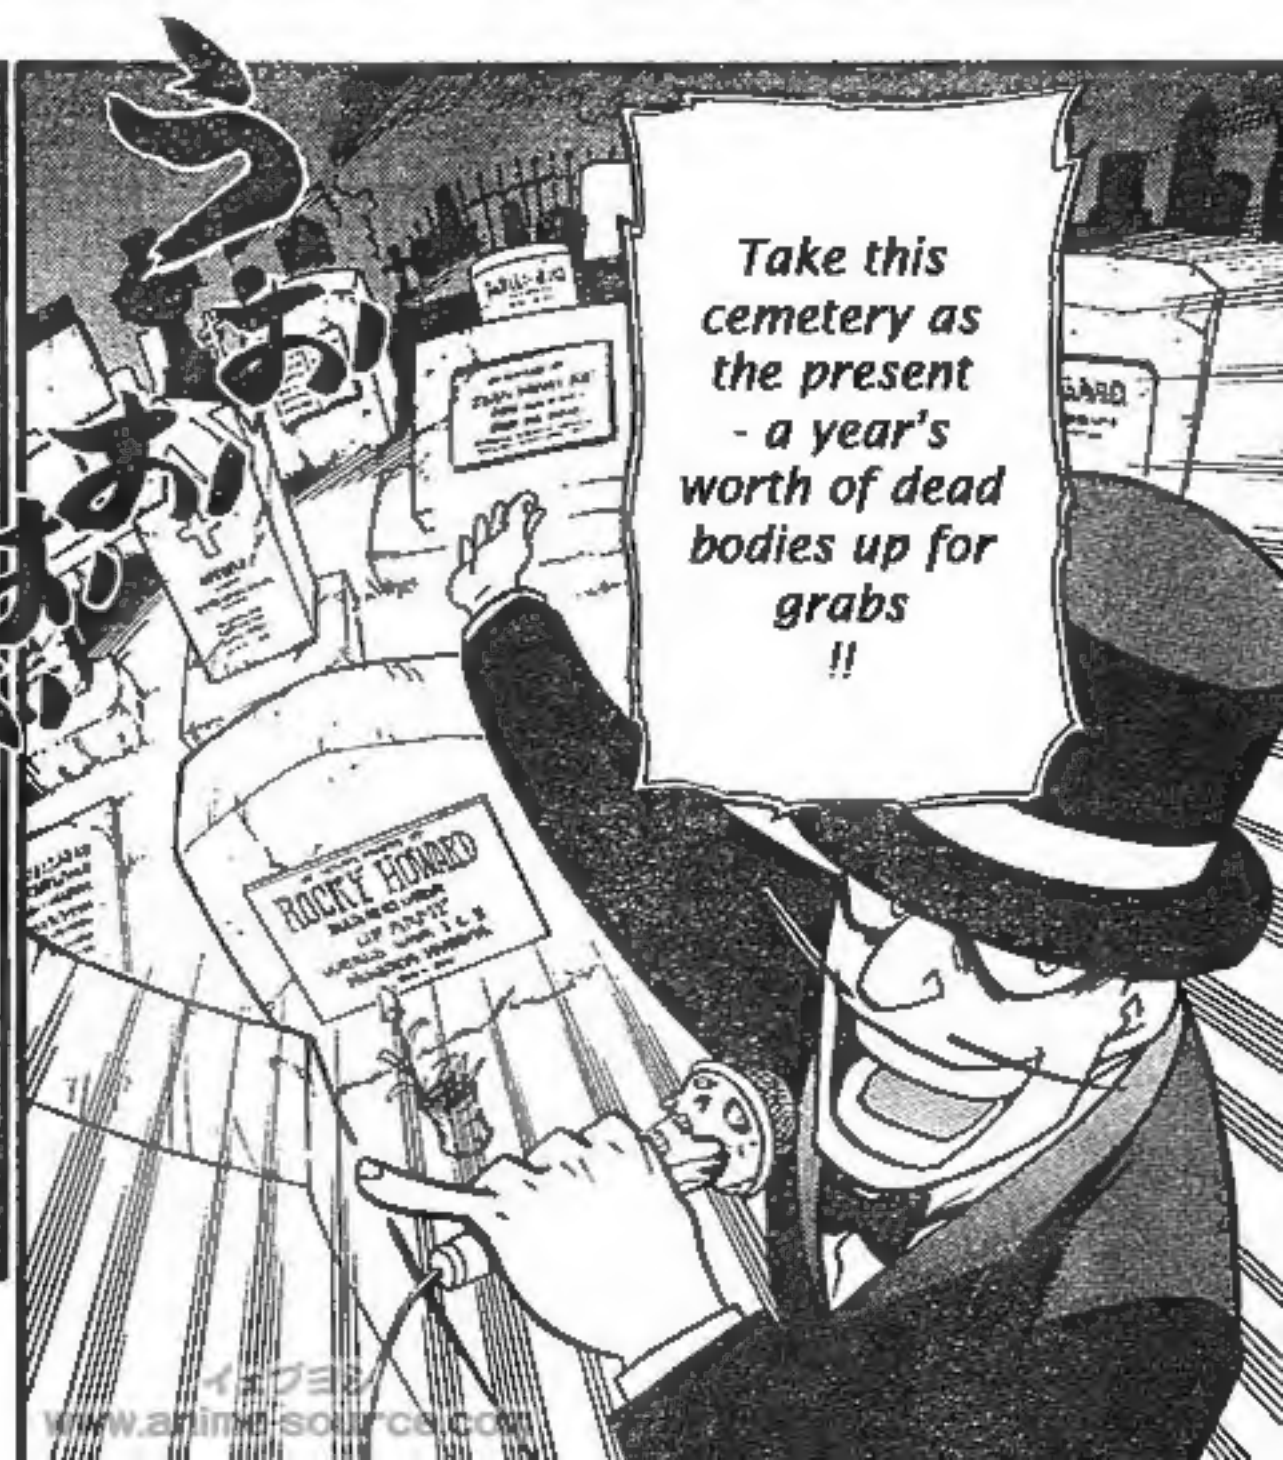

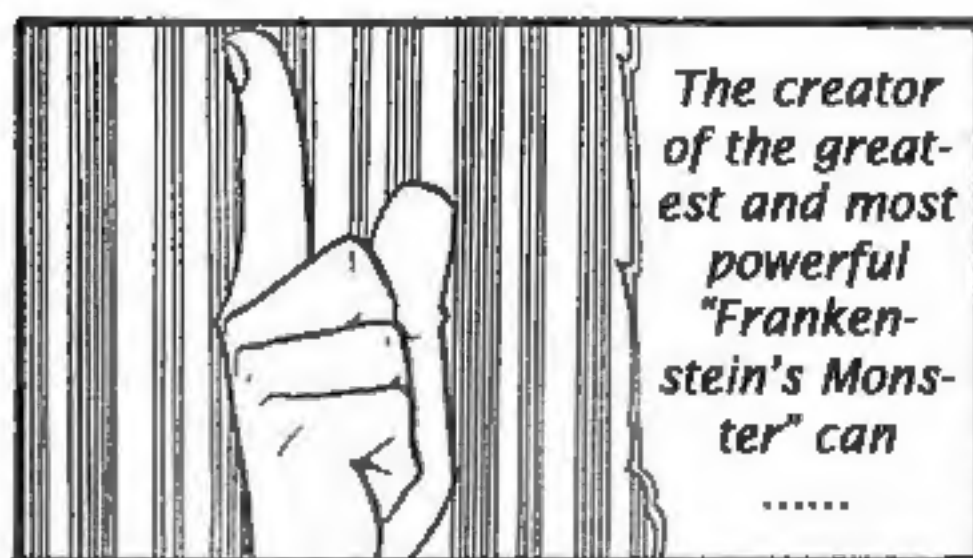

?

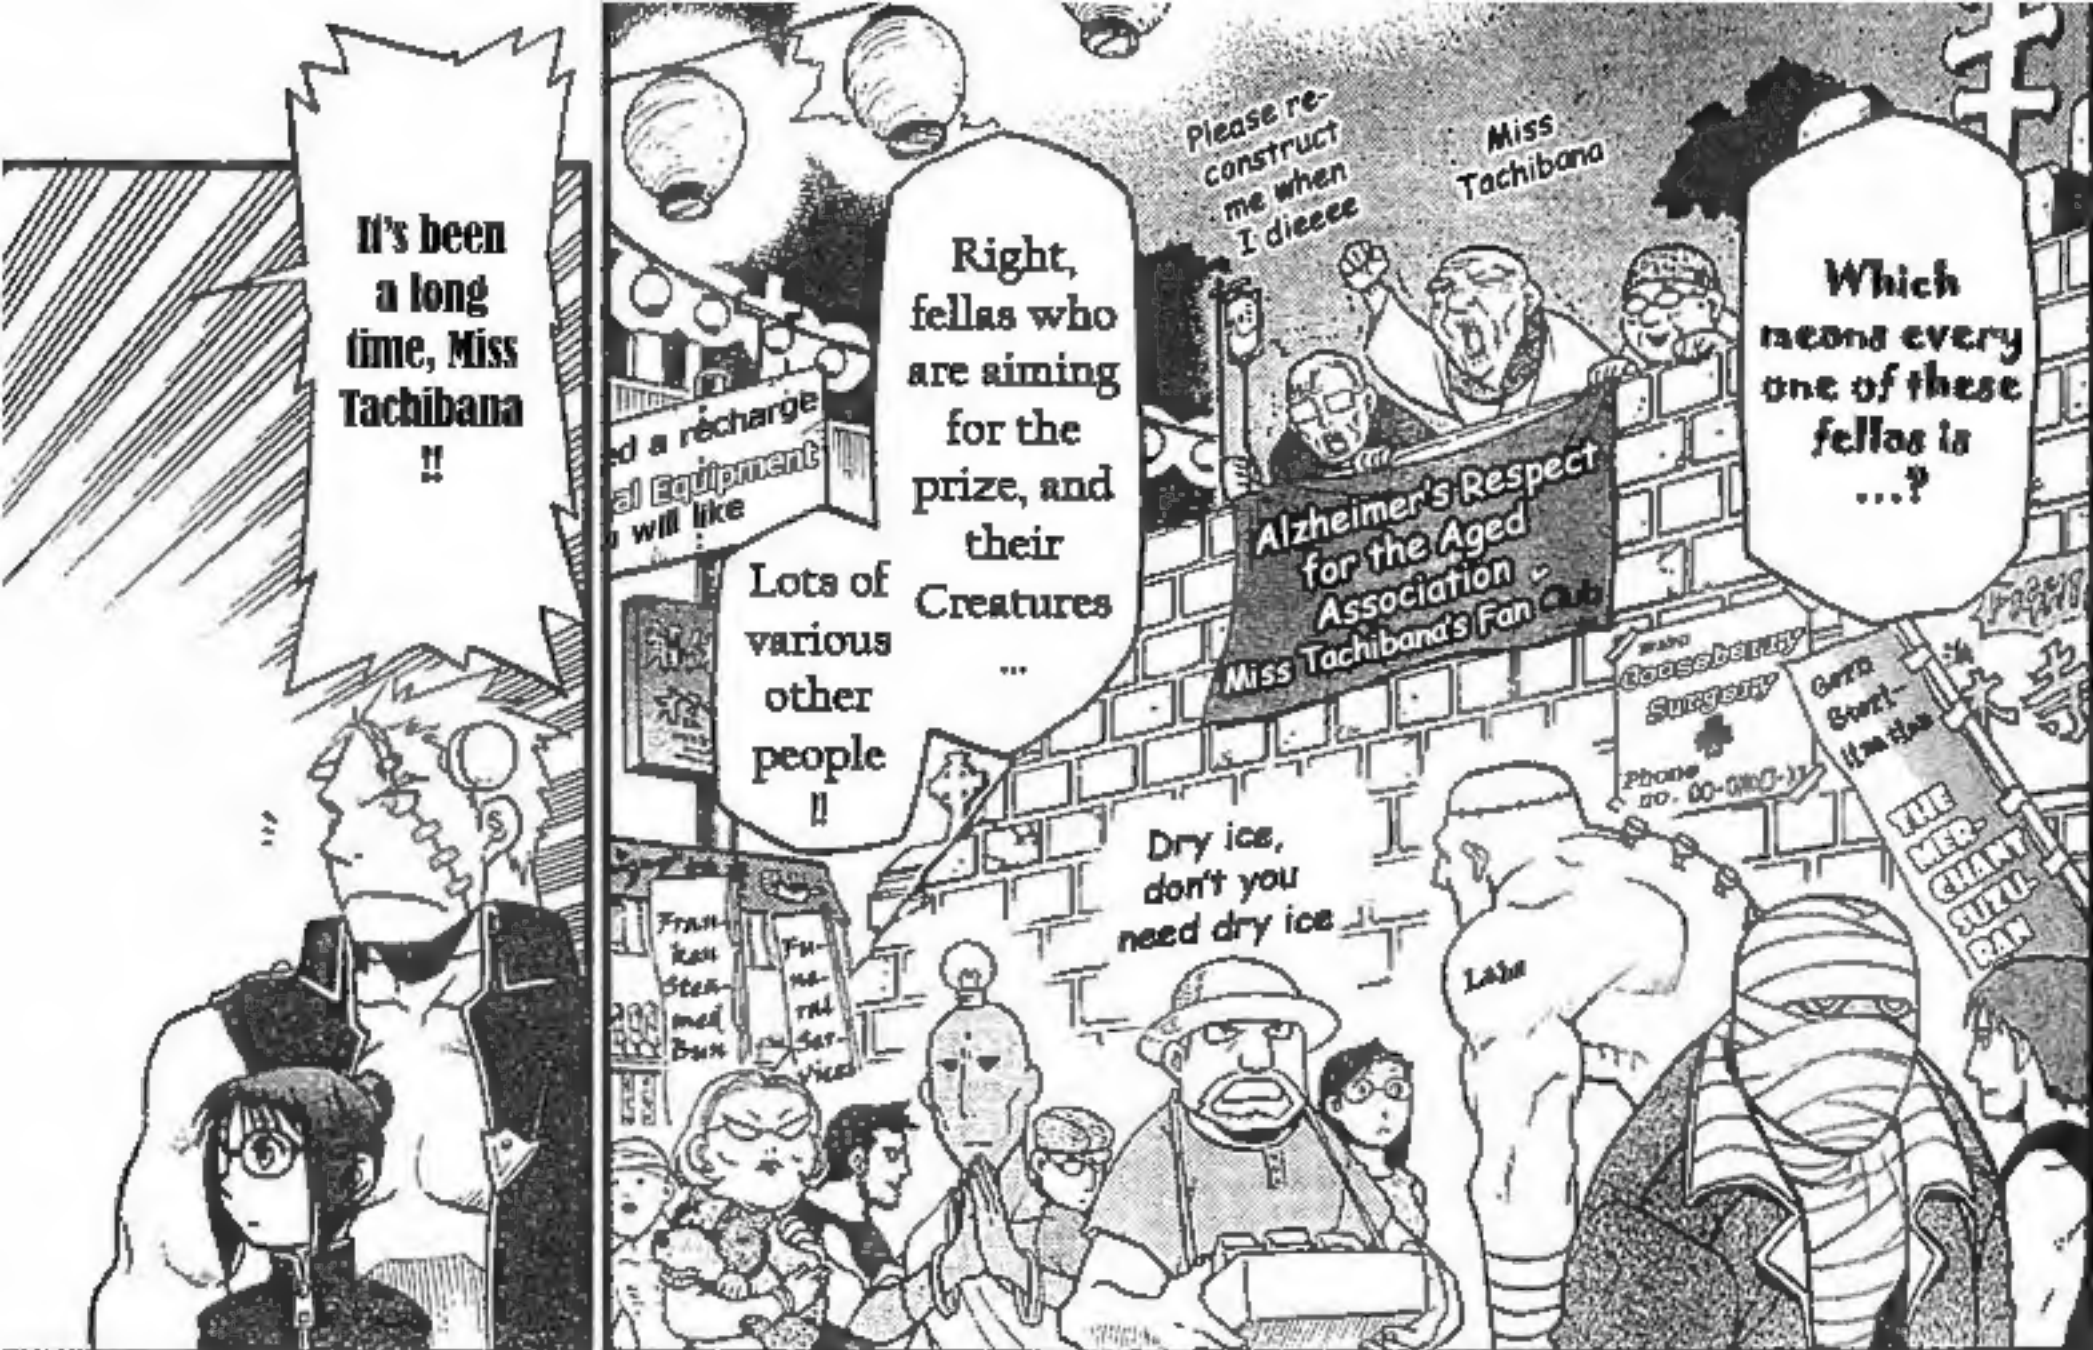

This
year,
you're
here to
do it
again
!

Ladies and
gentlemen,
all you lovers
of tinkering
with dead
bodies, out
there in the
whole country
!!

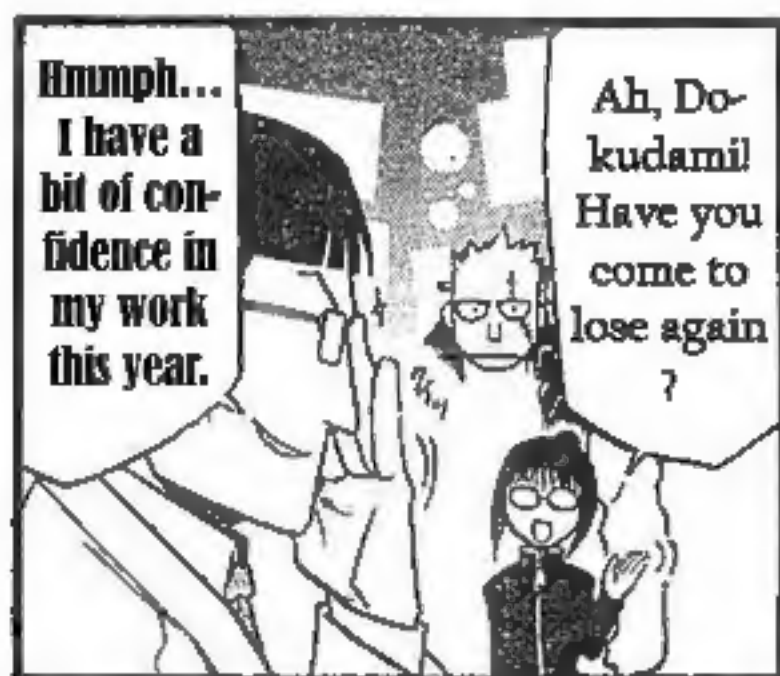

The
Creature
Cham-
pionship
!!

CEMETERY

*Dokudami can easily be mispronounced as "Doc. Dummy" in Japanese

Humph...
I have a
bit of con-
fidence in
my work
this year.

Ah, Do-
kudami!
Have you
come to
lose again
?

Which shall
be the victor,
our creature
or yours.....

Let's have
a wager,
Miss Ta-
chibana.

Dokudami*
University's
Franken-
stein's Mons-
ter Research
Association
(aka "Fraken")
!!

Miss Tachibana !!

.....It seems like there's a misunderstanding, so hopefully I can clear things up. What he wants is my dead body if I die under this particular circumstance, okay?

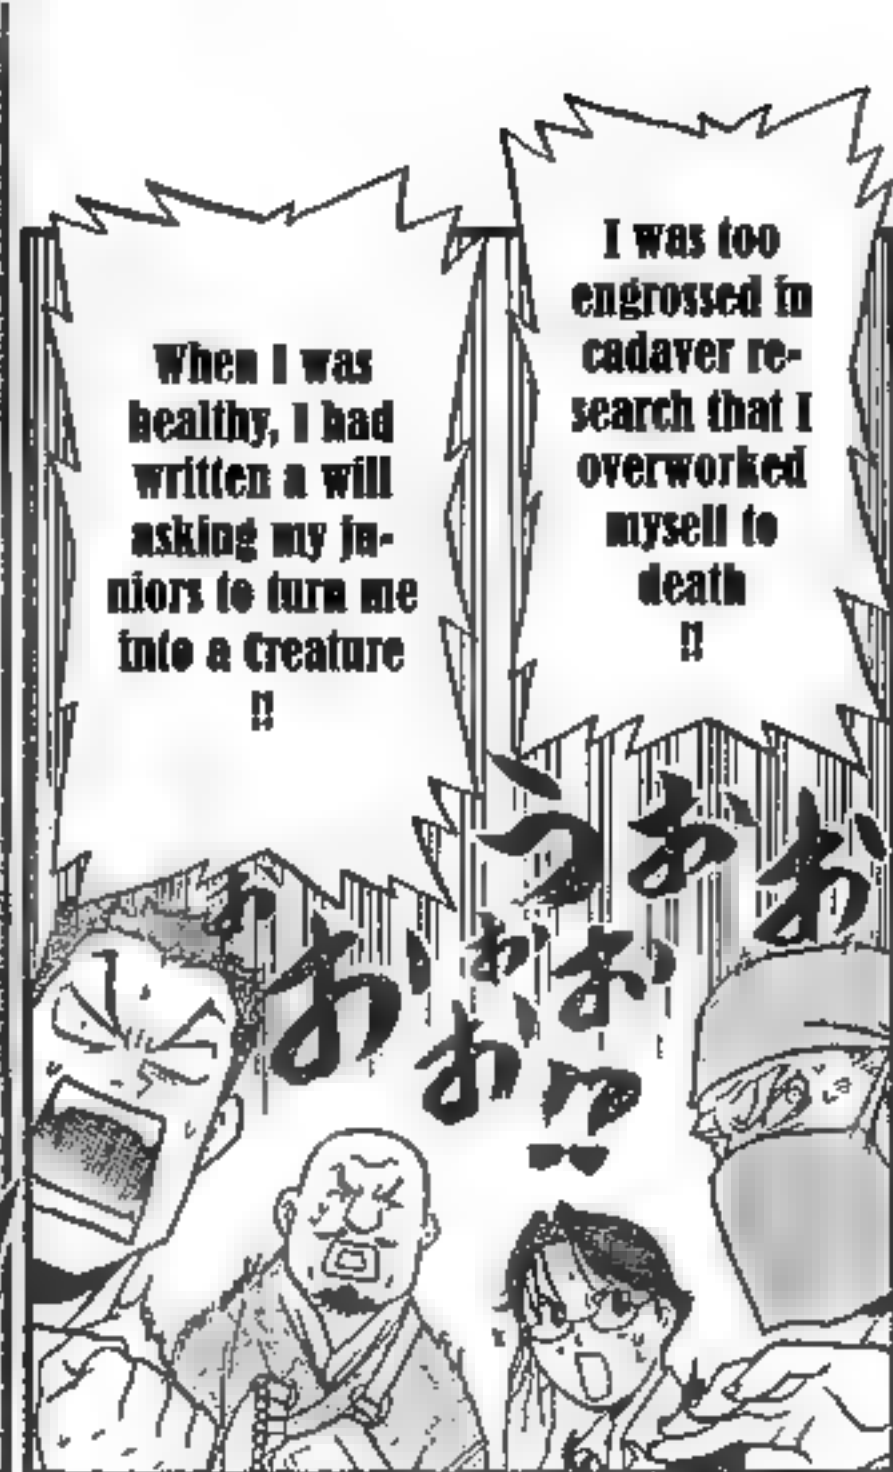

But your prided Creature is yet to be seen.

Turning
even one-
self into
an expe-
riment!!
This is
every bit
about love
!!

It is
love
!!

When I was
healthy, I had
written a will
asking my ju-
niors to turn me
into a Creature
!!

I was too
engrossed in
cadaver re-
search that I
overworked
myself to
death
!!

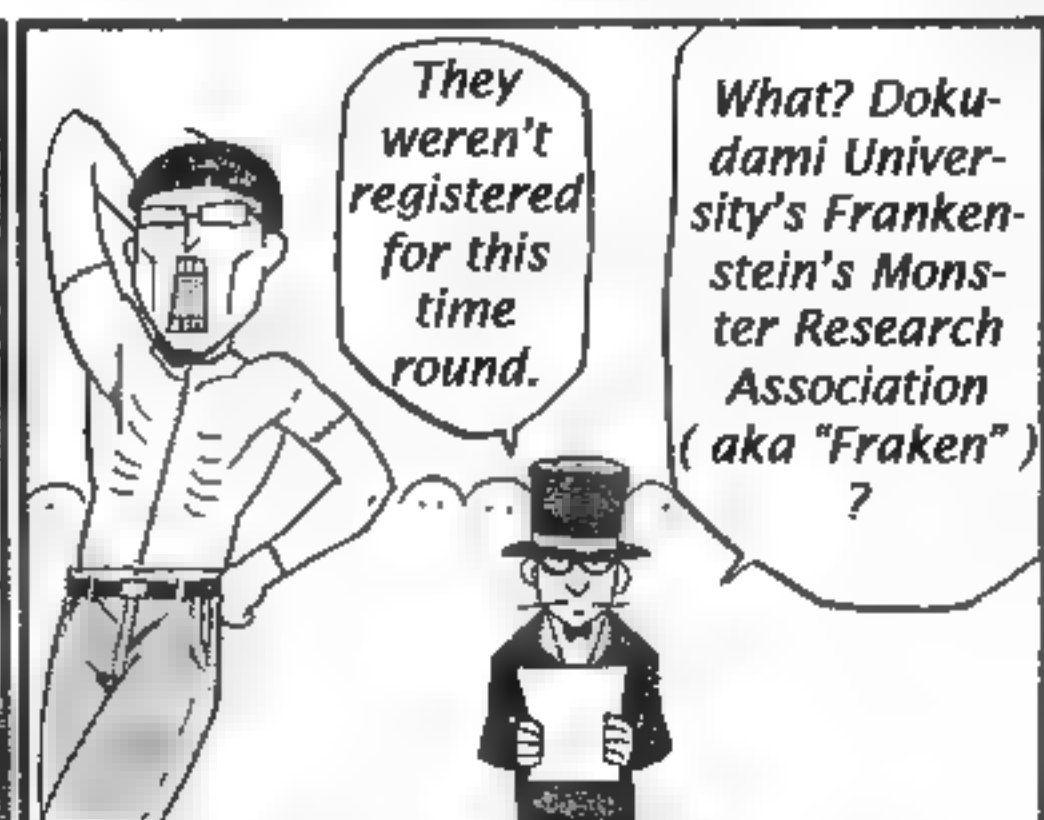

うおお
おお
おお
おお

We've
lost
before
we even
fought
!!

What
the
hell
!!

Ahhh!! We messed
up and registered
as the Flower
Dance Research
Association (aka
"Fraken")
!!

They
weren't
registered
for this
time
round.

What? Doku-
dami Univer-
sity's Franken-
stein's Mons-
ter Research
Association
(aka "Fraken")
?

Yep, died
of a gun-
shot last
year

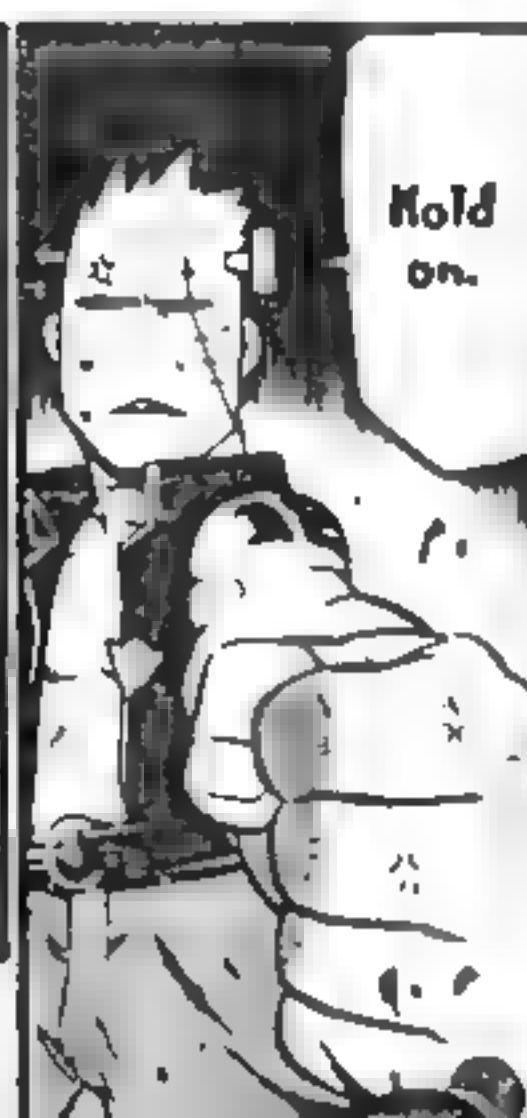

Old man,
you're a
Crea-
ture too
?

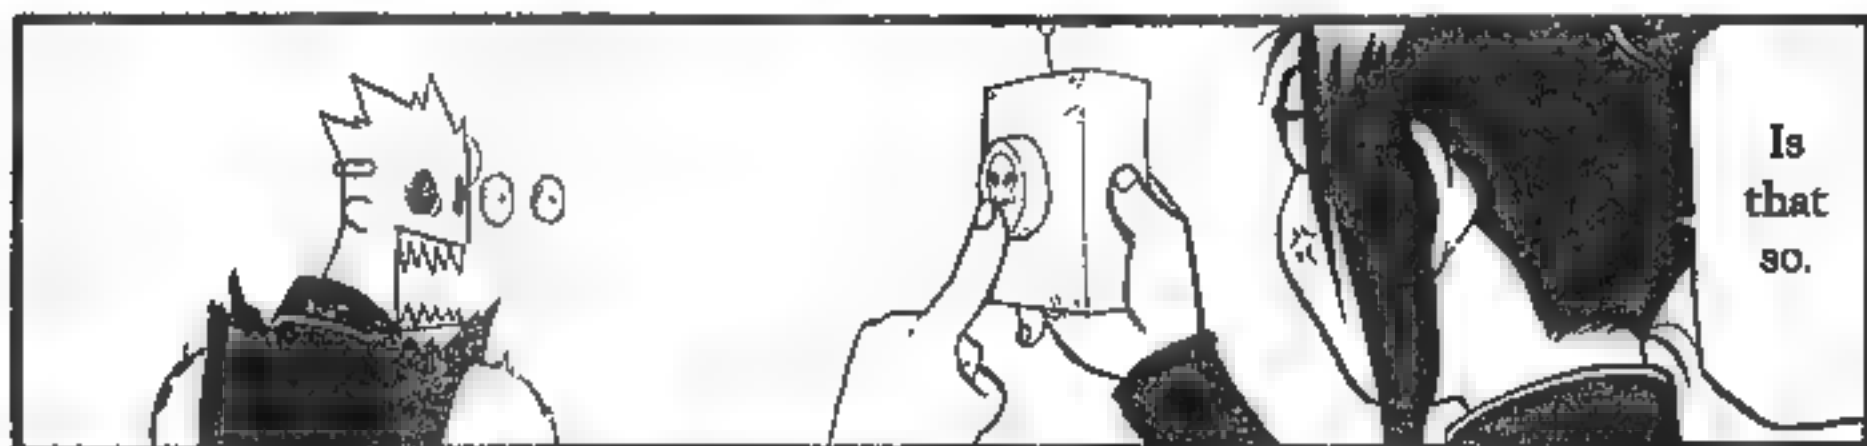

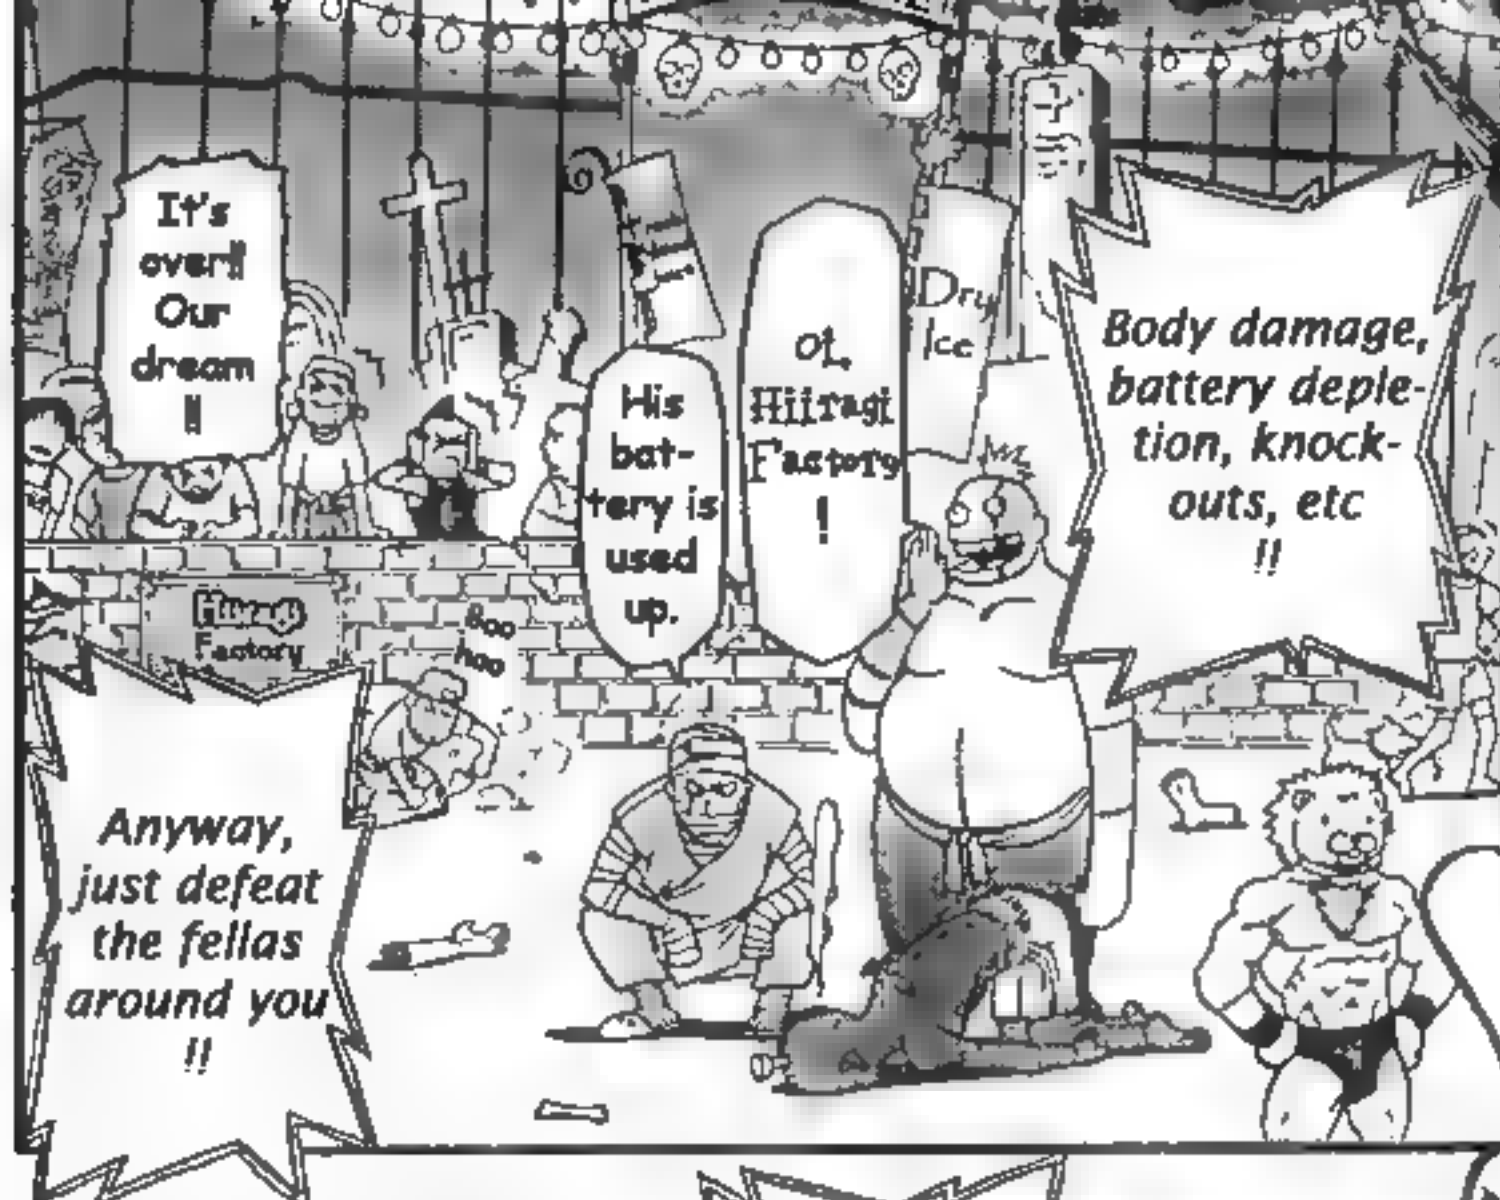

Ahhh,
pardon
me.

Wobble
Wobble

Take it
steady,
you.

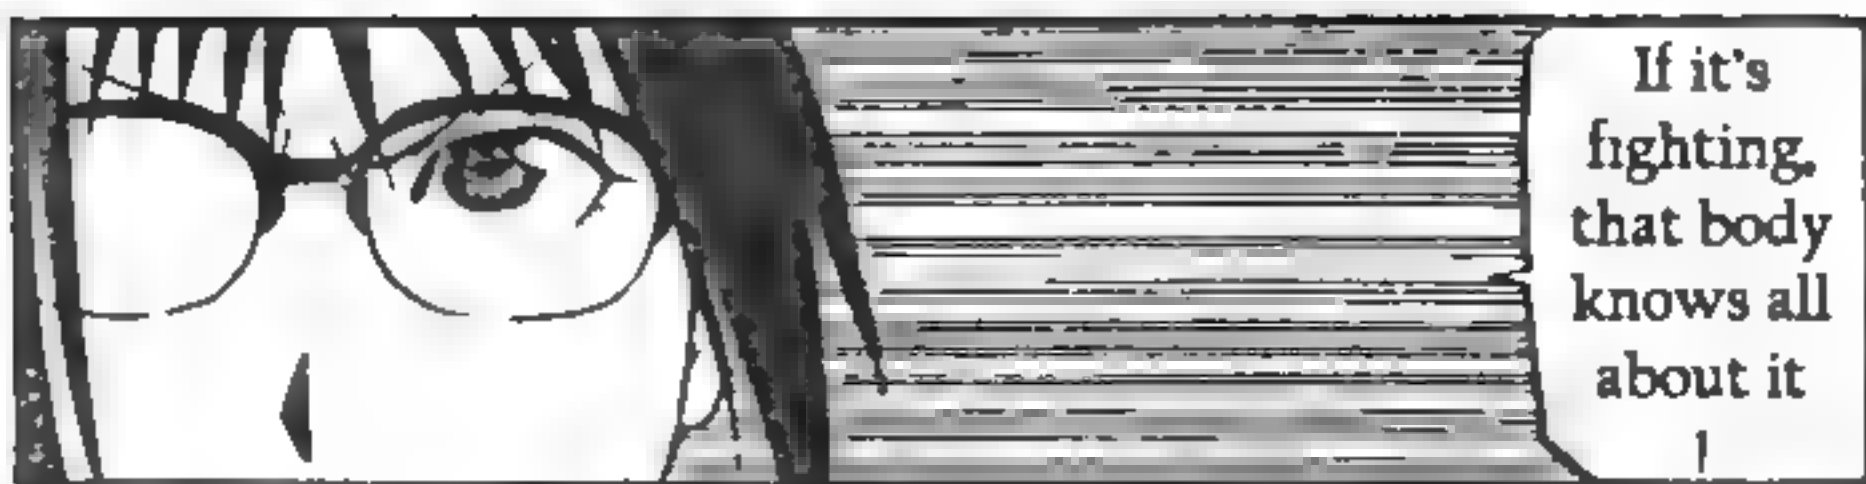

The match format is Battle Royale !!

If it's
fighting,
that body
knows all
about it

Hold

Fight
!!!

Is there?

Ah, so that's it!!

My Je T'aime-2 was enhanced with only a little bit of sharp metal, and they only protrude out of her arms a little.

The rules of the tournament state that skeletons can be enhanced with metal.

Yes, there is!

Don't equate me with you bunch of scum !!

She's so endearing

Long live the Nurse

Whoa!! Je T'aime-2 is the greatest !!

Her complexion even looks like she's alive |

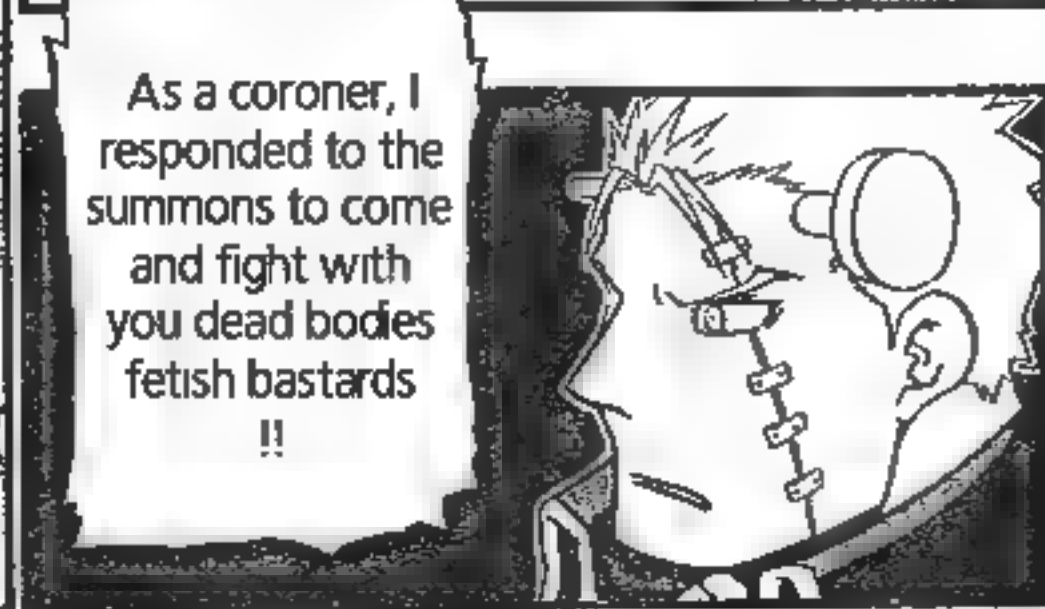

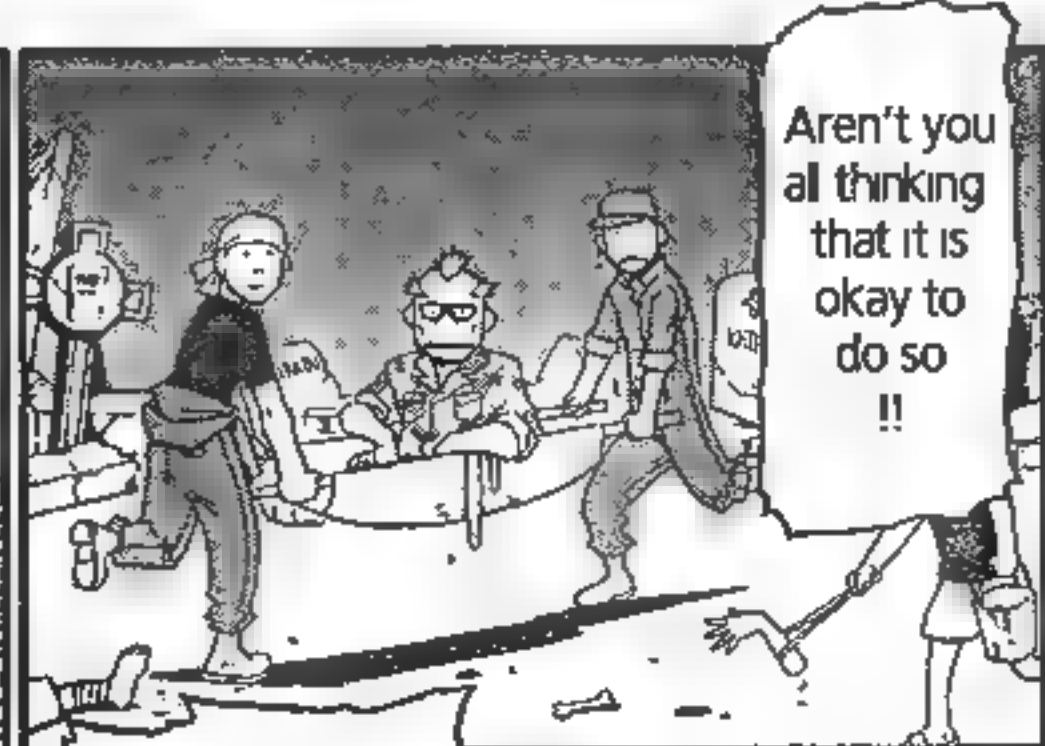

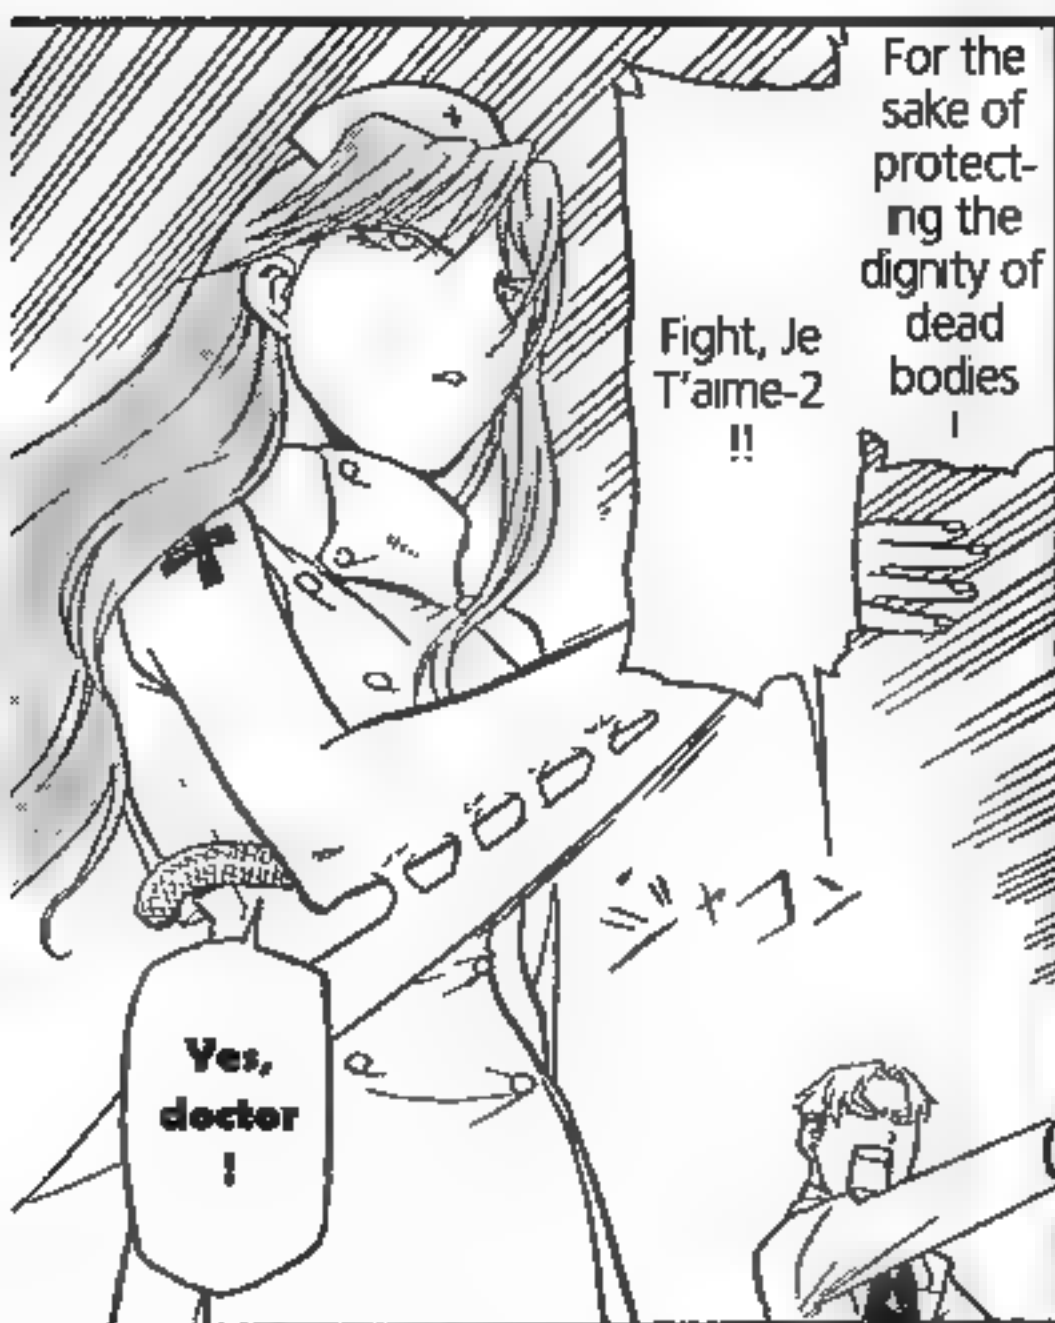

You can't even see the joints, such perfect sutures |

It's your love for dead bodies; love !!

You're a first-class creator !!

Not bad, Yabu-kouji |

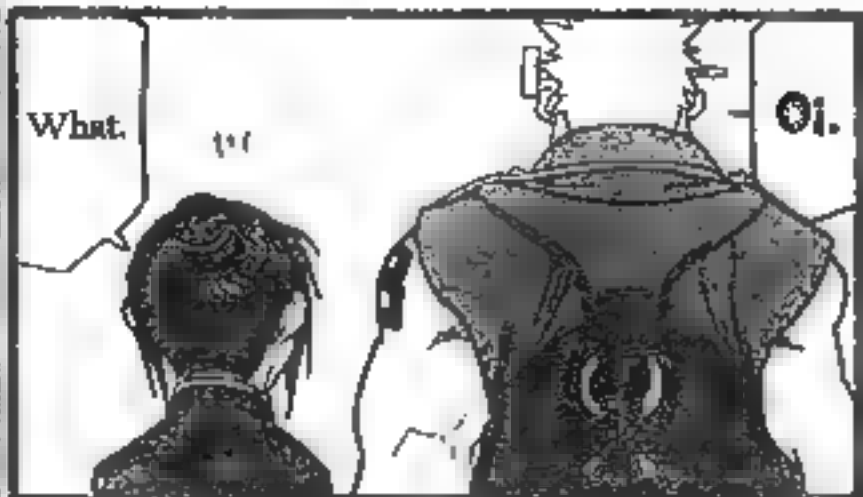

If I win this tourney, let me go.

I don't need to be praised.

That is simply what a human would naturally want.

What.

Oi.

Go against your parent, you say

What did you say?

If you say you won't release me, this head shall fall off right here, right now !!

Whichever Creature it is; if it loses its head, it's finished, right !!

What

I'm fighting for my dignity and freedom !!

Though victory
is right in front
of your eyes,
wouldn't my
death here be
troubling
!?

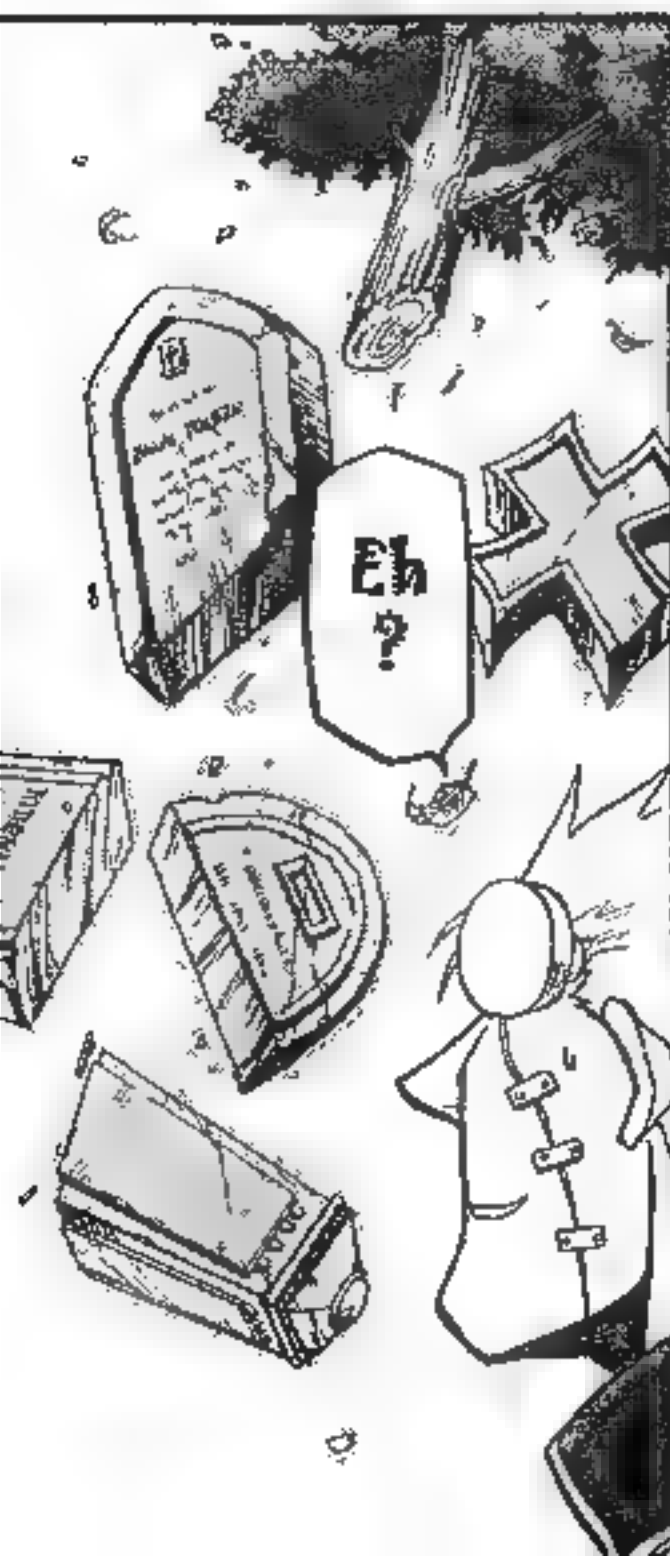

tsk
!!

To choose
death for the
sake of my
pride can be
counted as
living with
dignity as
well, right
!?

To live
is to live
with
dignity
!

Eh
?

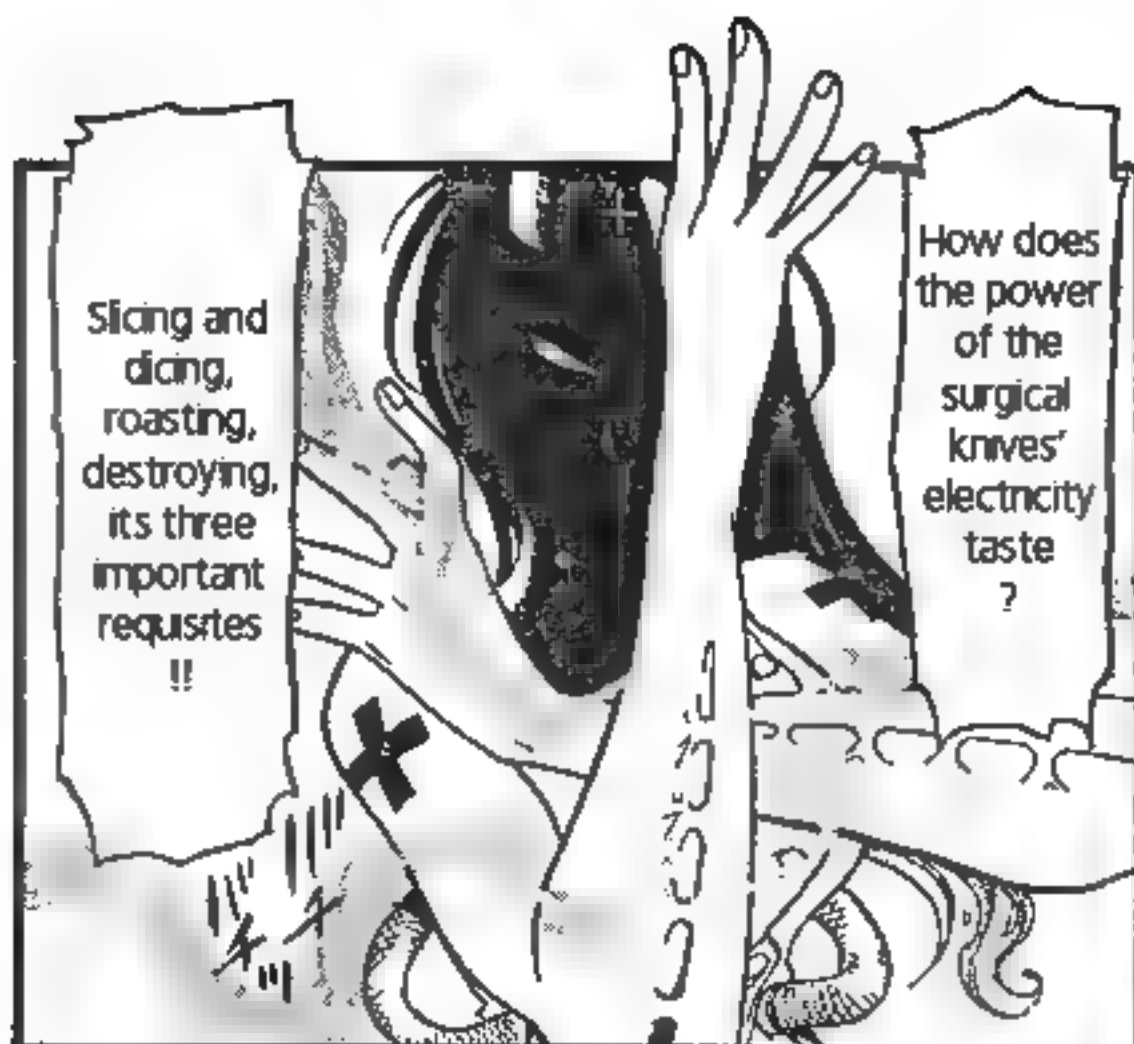

All
right
!!!

If you
win, you're
free.
You can
go any-
where
then
|

It
should
be
okay.

A
deal,
is it
.....

Slicing and
dicing,
roasting,
destroying,
its three
important
requests
!!

How does
the power
of the
surgical
knives'
electricity
taste
?

Don't look
elsewhere
while in a
serious fight,
you giant
!!

Who-
aaa-
aaaa
!!

Bwah
!

Try showing
my Je T'ame-2
what you pass
off as justice
!!

!!

The same here.
for the sake of
my cause, how
can I lose
!!

Ha
ha
!

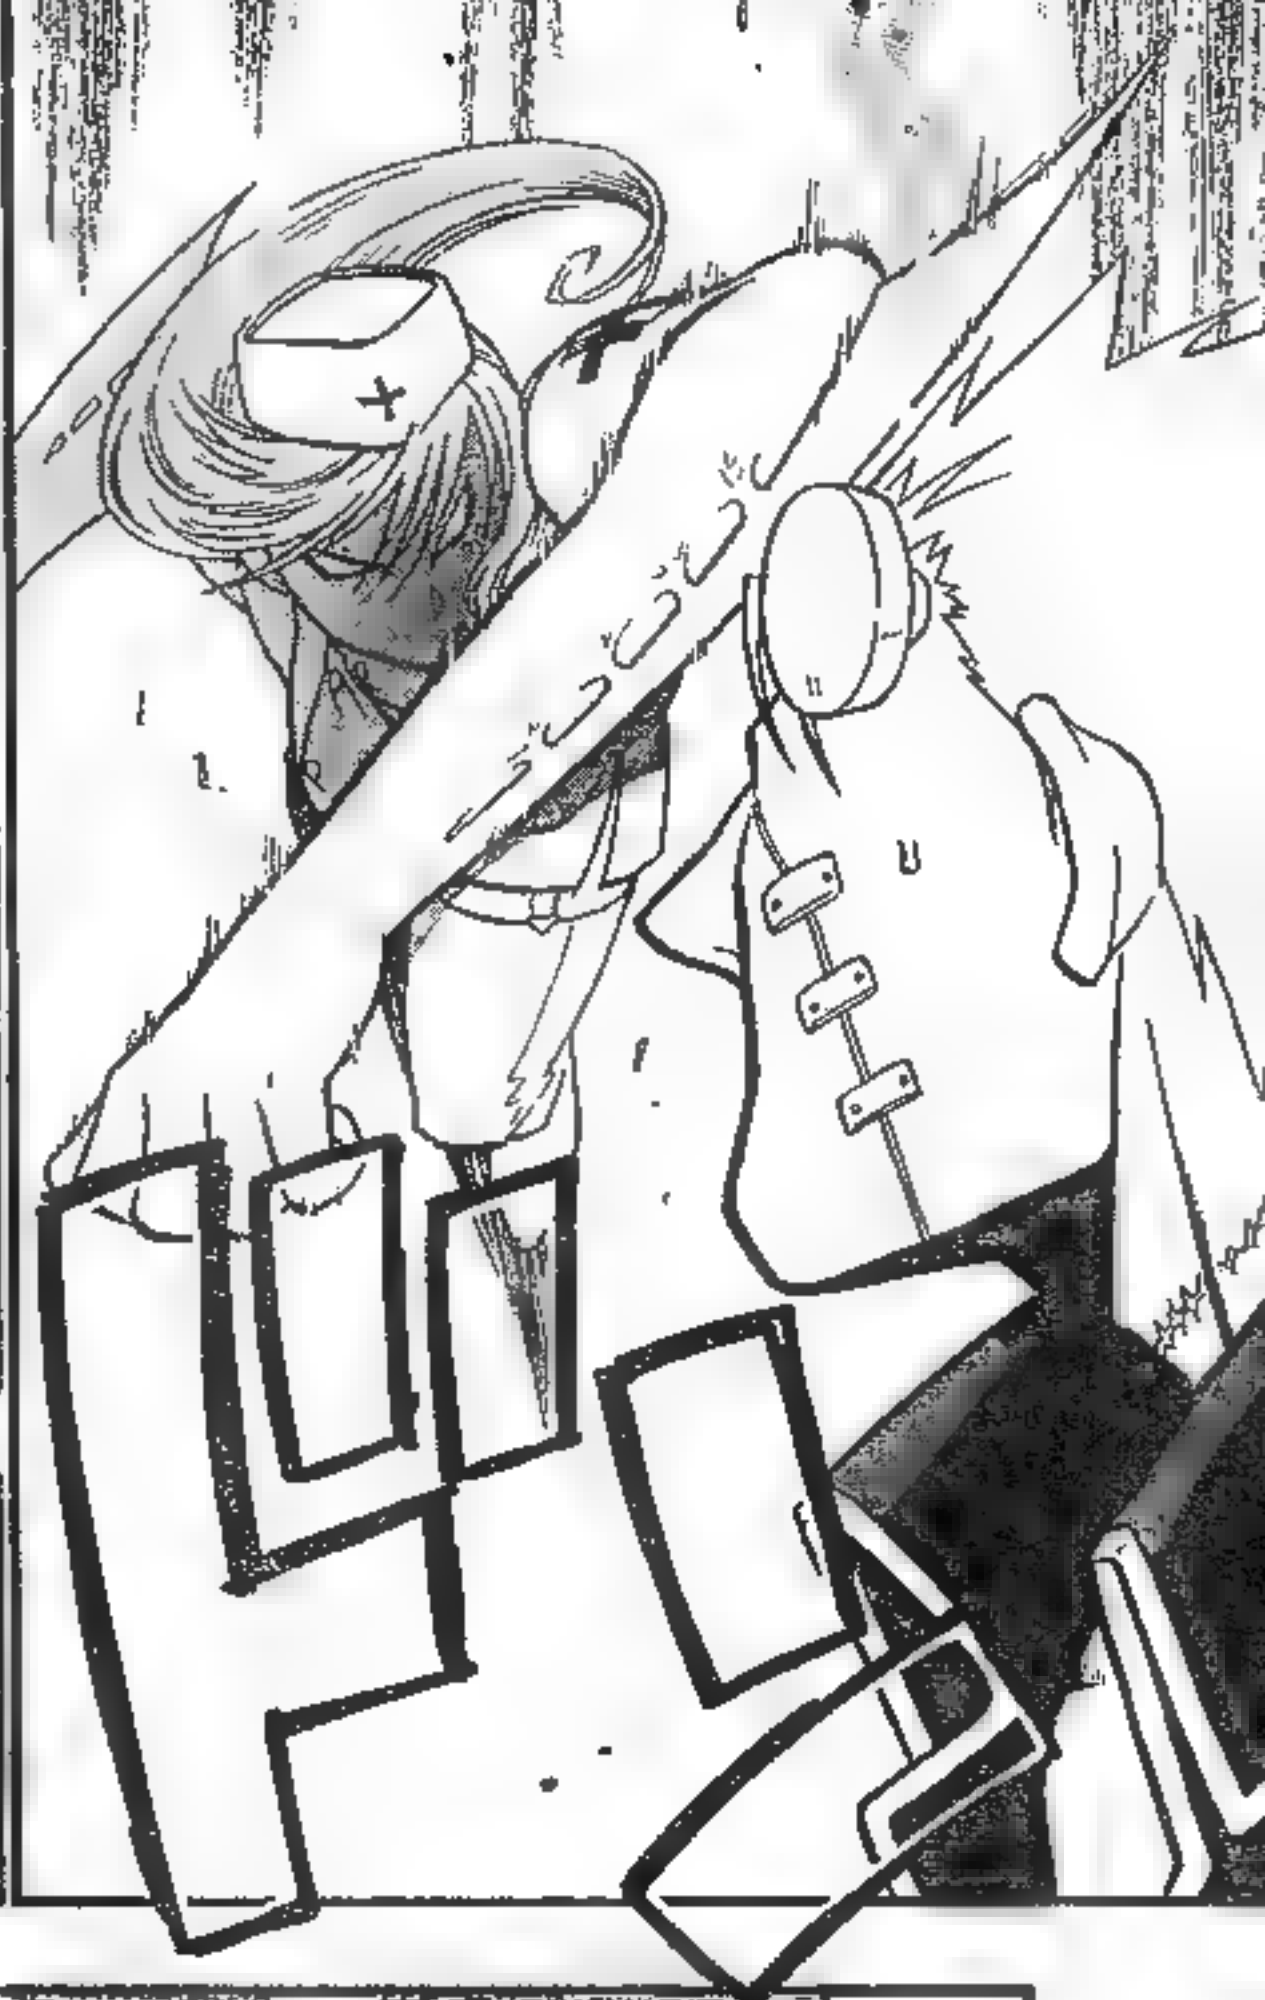

Ban-
nit
!!

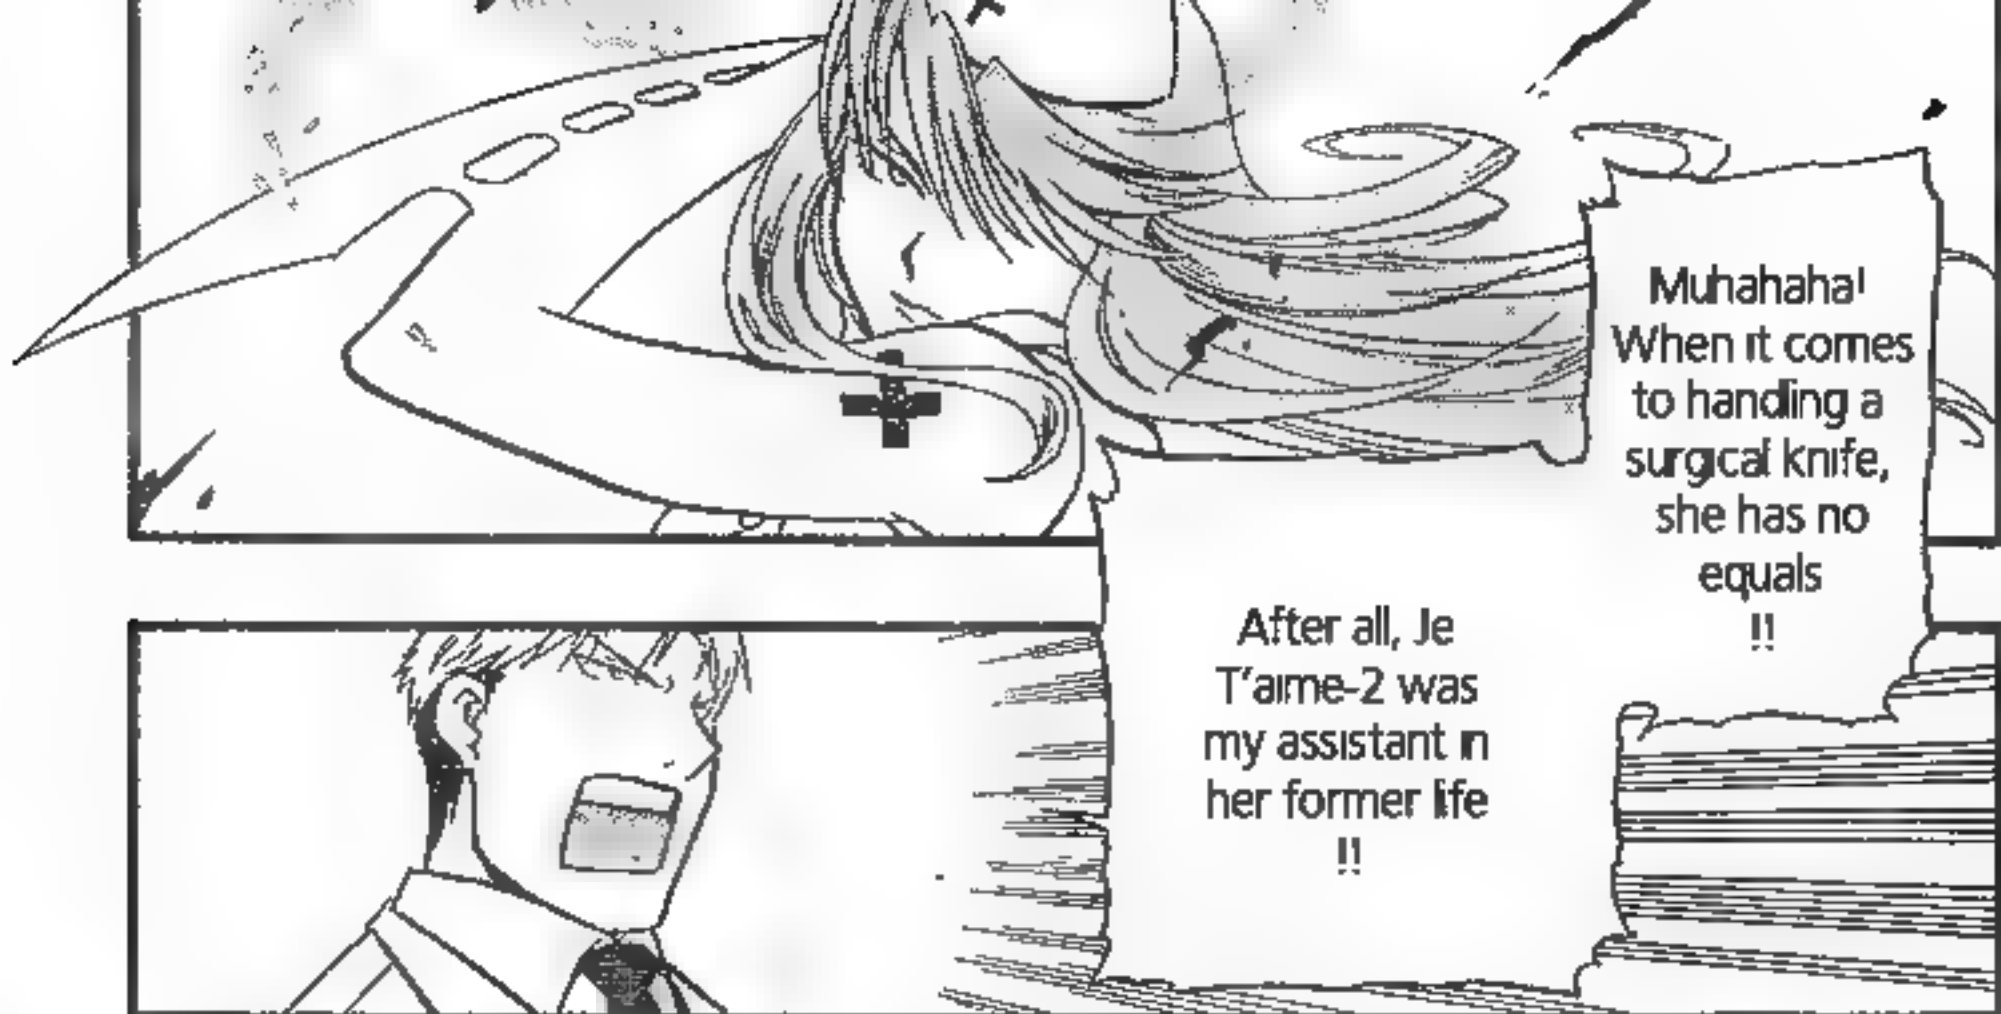

Fast!! Strong!!
It's Je T'aime-2!!
The heavyweight
melee model
Raiden-18 is no
match for her
!!

Gack
!!

Arrgh, real-
ly! Raiden
will win if
he is able
to just
grab her
!!

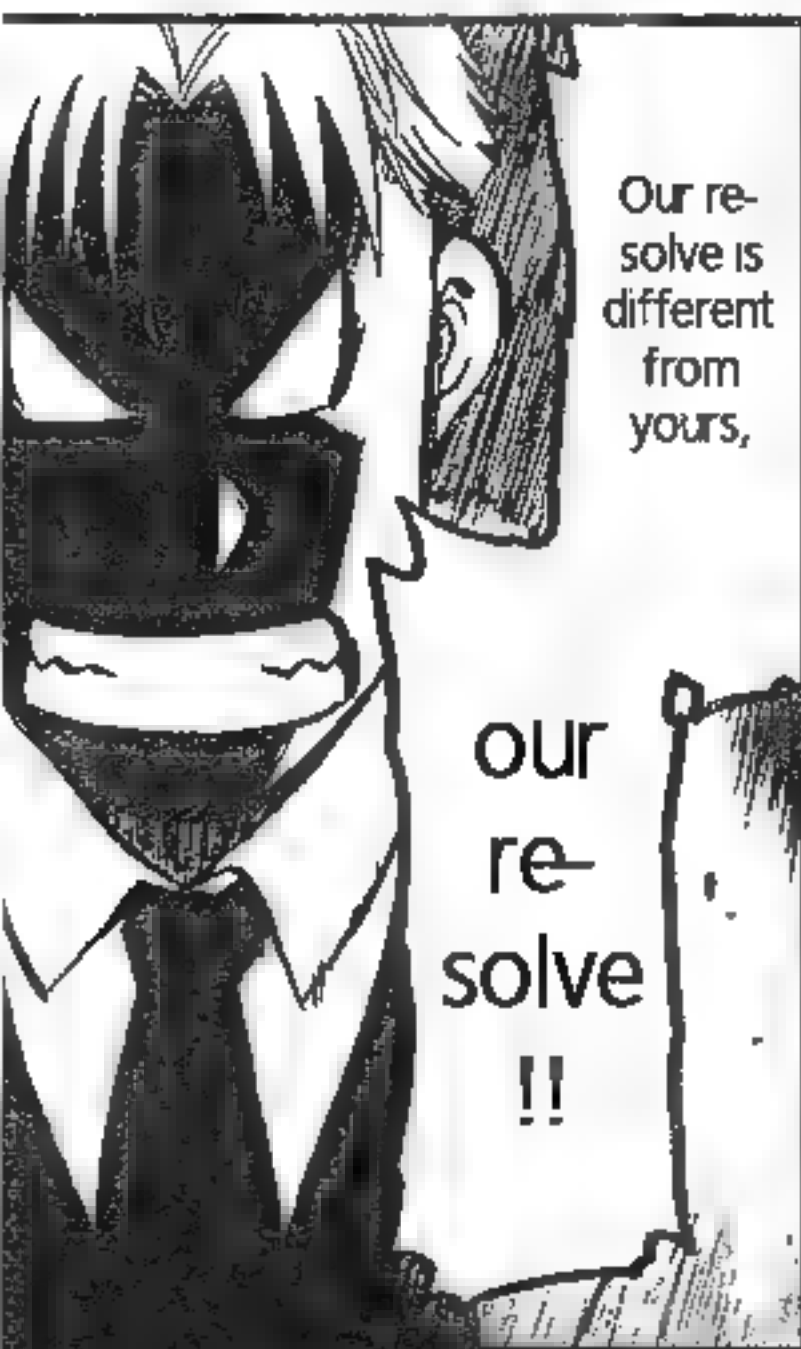

Oh!!

Muhahaha!
When it comes
to handling a
surgical knife,
she has no
equals
!!

After all, Je
T'aime-2 was
my assistant in
her former life
!!

Our re-
solve is
different
from
yours,

our
re-
solve
!!

My assistant and
I are willing to
bet both of our
lives to fulfill our
deepest desire,
which is to
defeat you lot

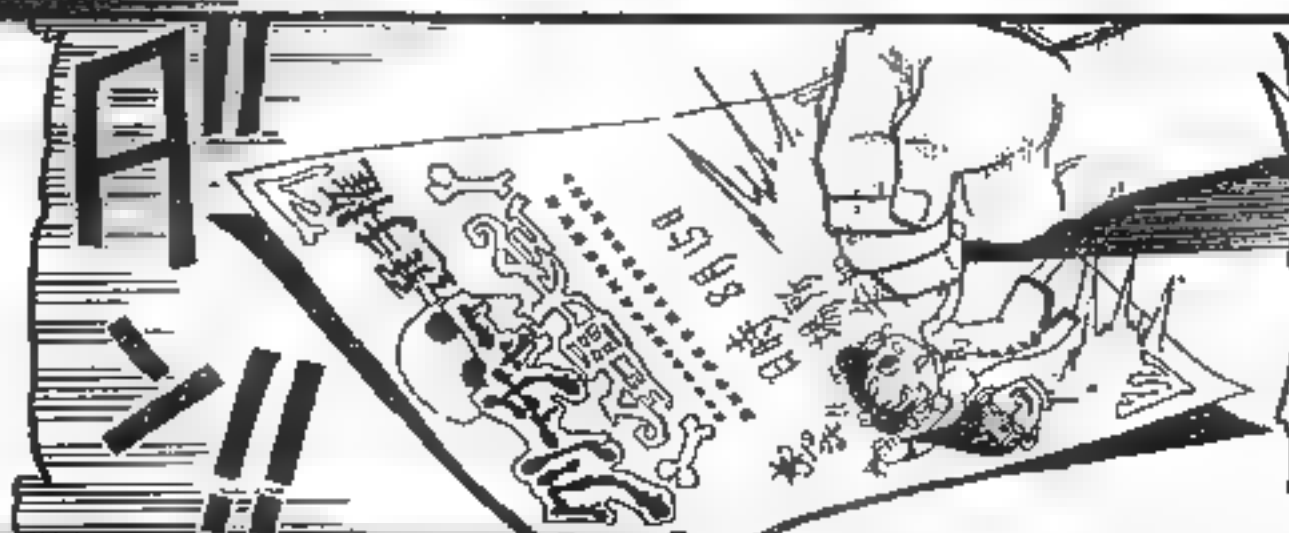

You have your
reason not to
lose, but we too
have a cause
not to lose for.

Assist-
ant
!?

Can we
allow
this sort
of thing
!!

They're
holding
it again
this year
!?

The pamphlet reads "The Creature Championship,
Whole Nation Tourney, Date August 15th, Venue"
The girl is saying "Join us!!"

"Please save me"

"Please release me"

Assistant
Tsubaki

I can hear the voices of the dead bodies.

Doc-
tor

I think I'll enter this tourney, and hand retribution to those thugs with my own hands !!

Tsubaki, I have made up my mind.

Bwah.

I understand, doctor !

As someone concerned with dead bodies, I too cannot suppress my anger and grief !

Doctor, don't tell me you're planning to use your own body !?

But to use the dead bodies of others

Ah.

Bwaah

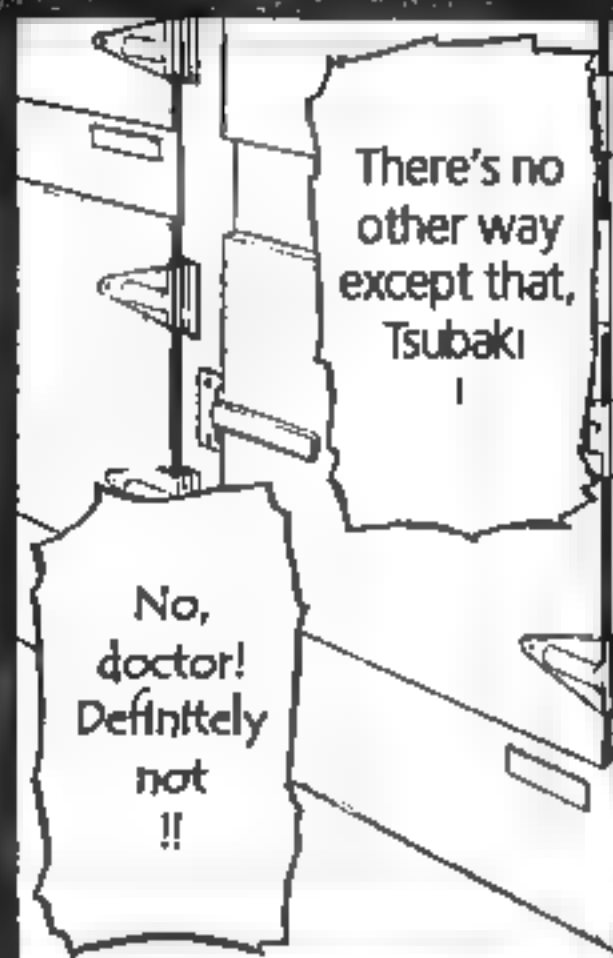

If it is for
the sake of
doctor's noble
goal, I..... I
....!!

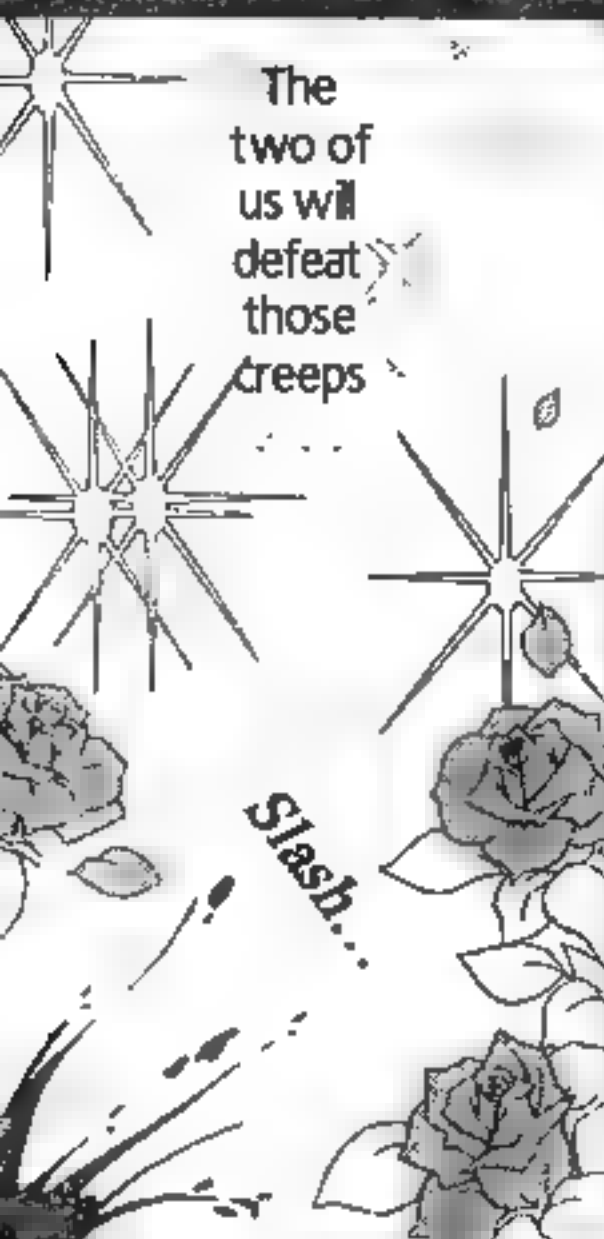

Doc-
tor !!

Grab!

There's no
other way
except that,
Tsubaki
!

No,
doctor!
Definitely
not
!!

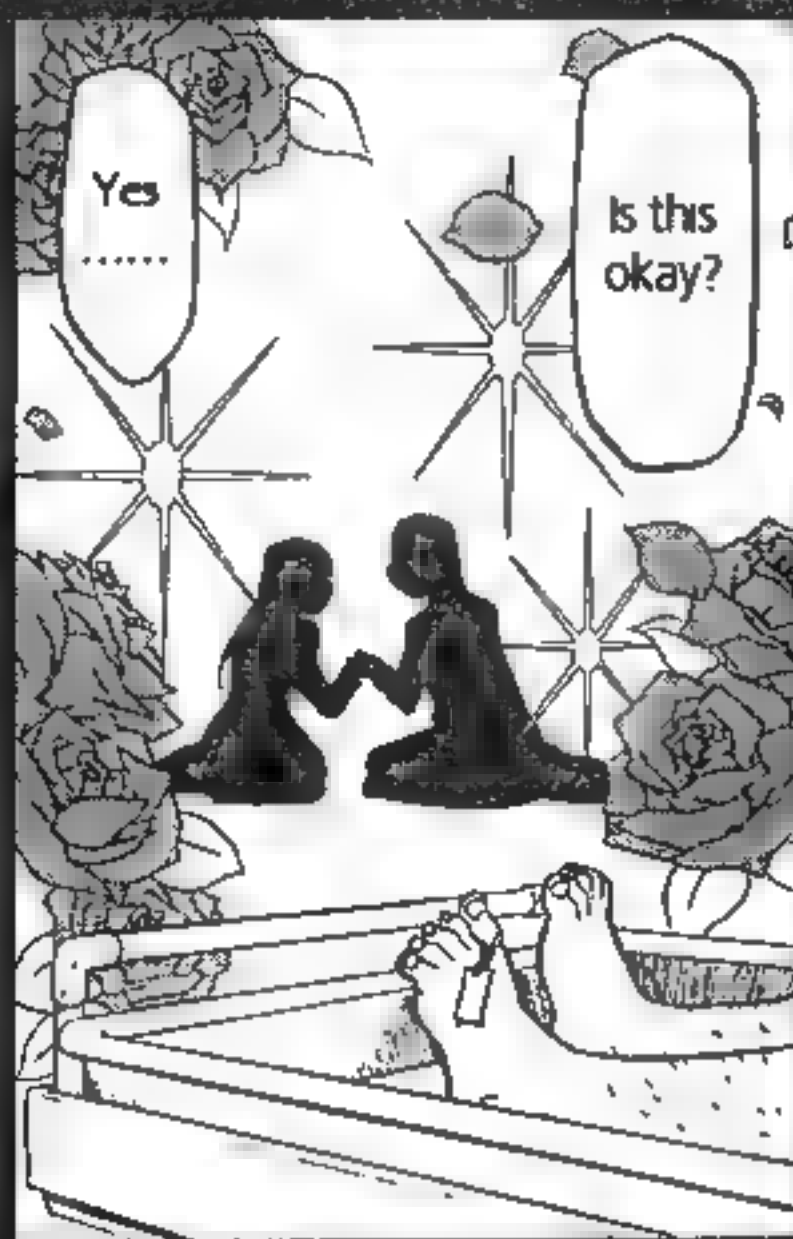

The
two of
us will
defeat
those
creeps

Slash...

I guess I
can make
you into a
splendid
Creature
without
fail

Yes
.....

Is this
okay?

By the way,
nurse cos-
tumes are
an interest
of mine

So saying,
that's
the story

With
such
gusto
!

Oh, the
whole
grounds
are boo-
ing all
together
!!

What
the
!?

Those who
use bodies
killed with
their own
hands are
called
heretics
!!

Go
back!!
Go
back!!

The spirit of us
tinkering with
dead bodies
maniacs is
"only use the
dead bodies
which were
already dead"
!!

Hold on! To
have you
creeps ex-
plaining to
me what's
the enlight-
ened way
is simply

1. I didn't
defile the
dead
bodies' dignity

He
killed
two
people
!?

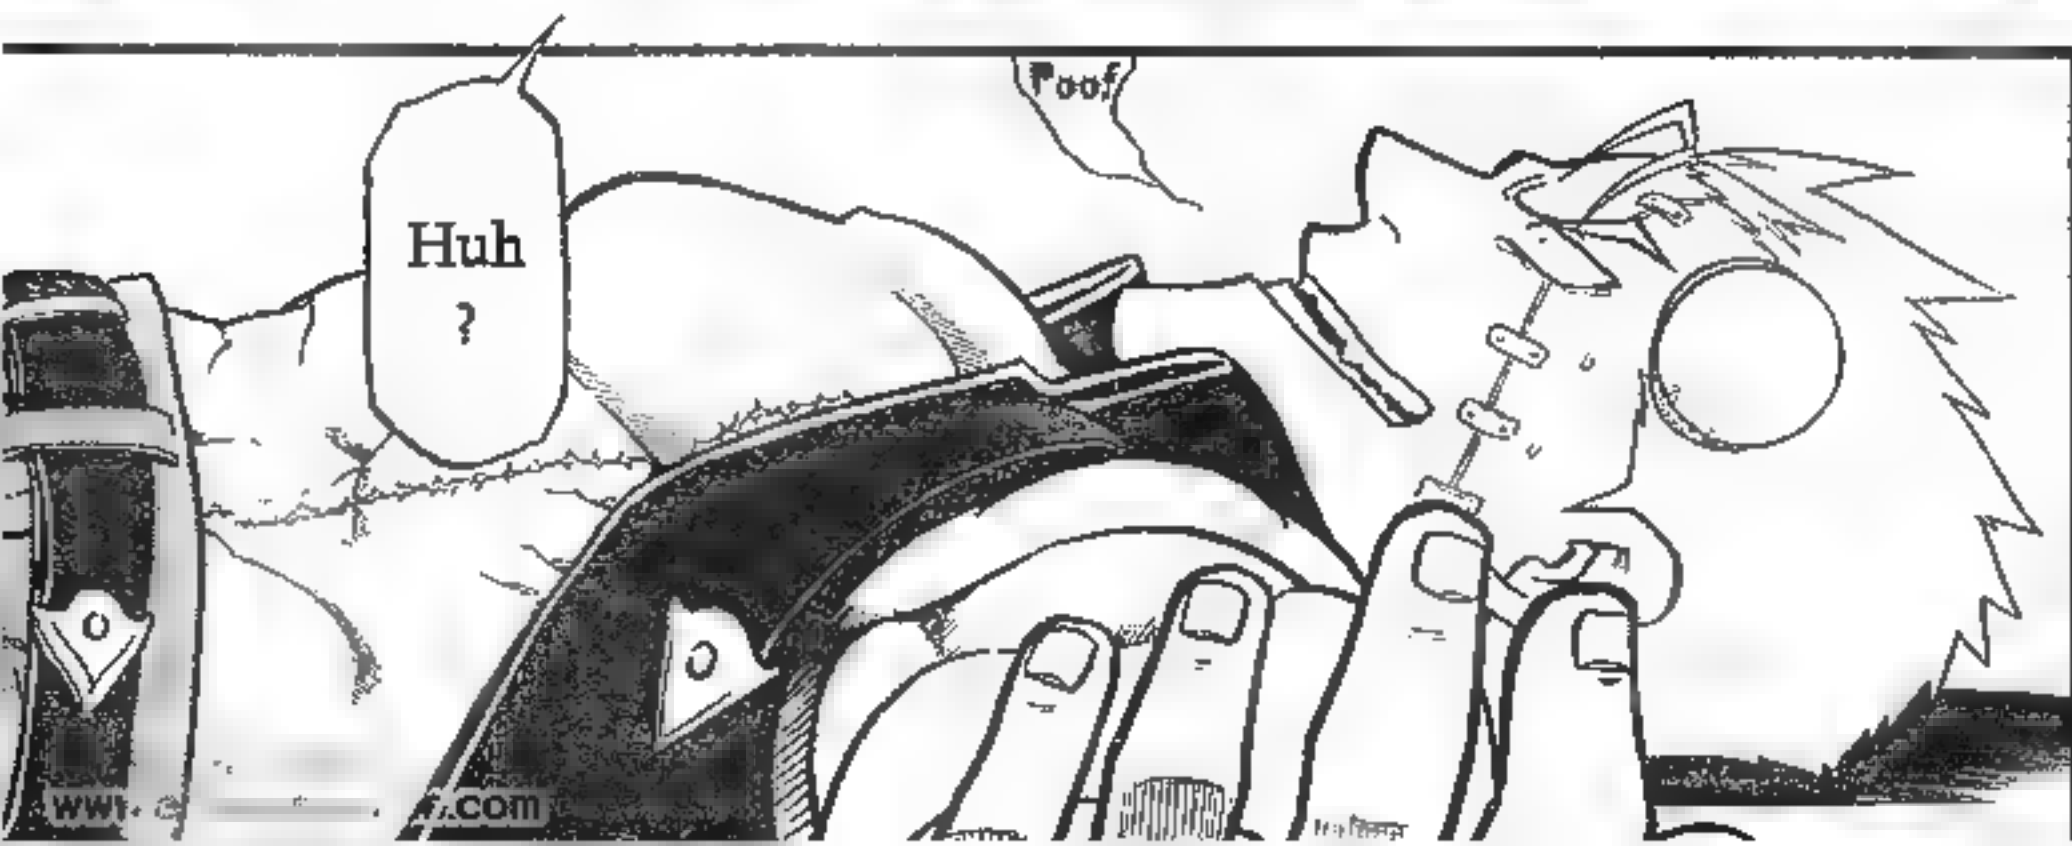

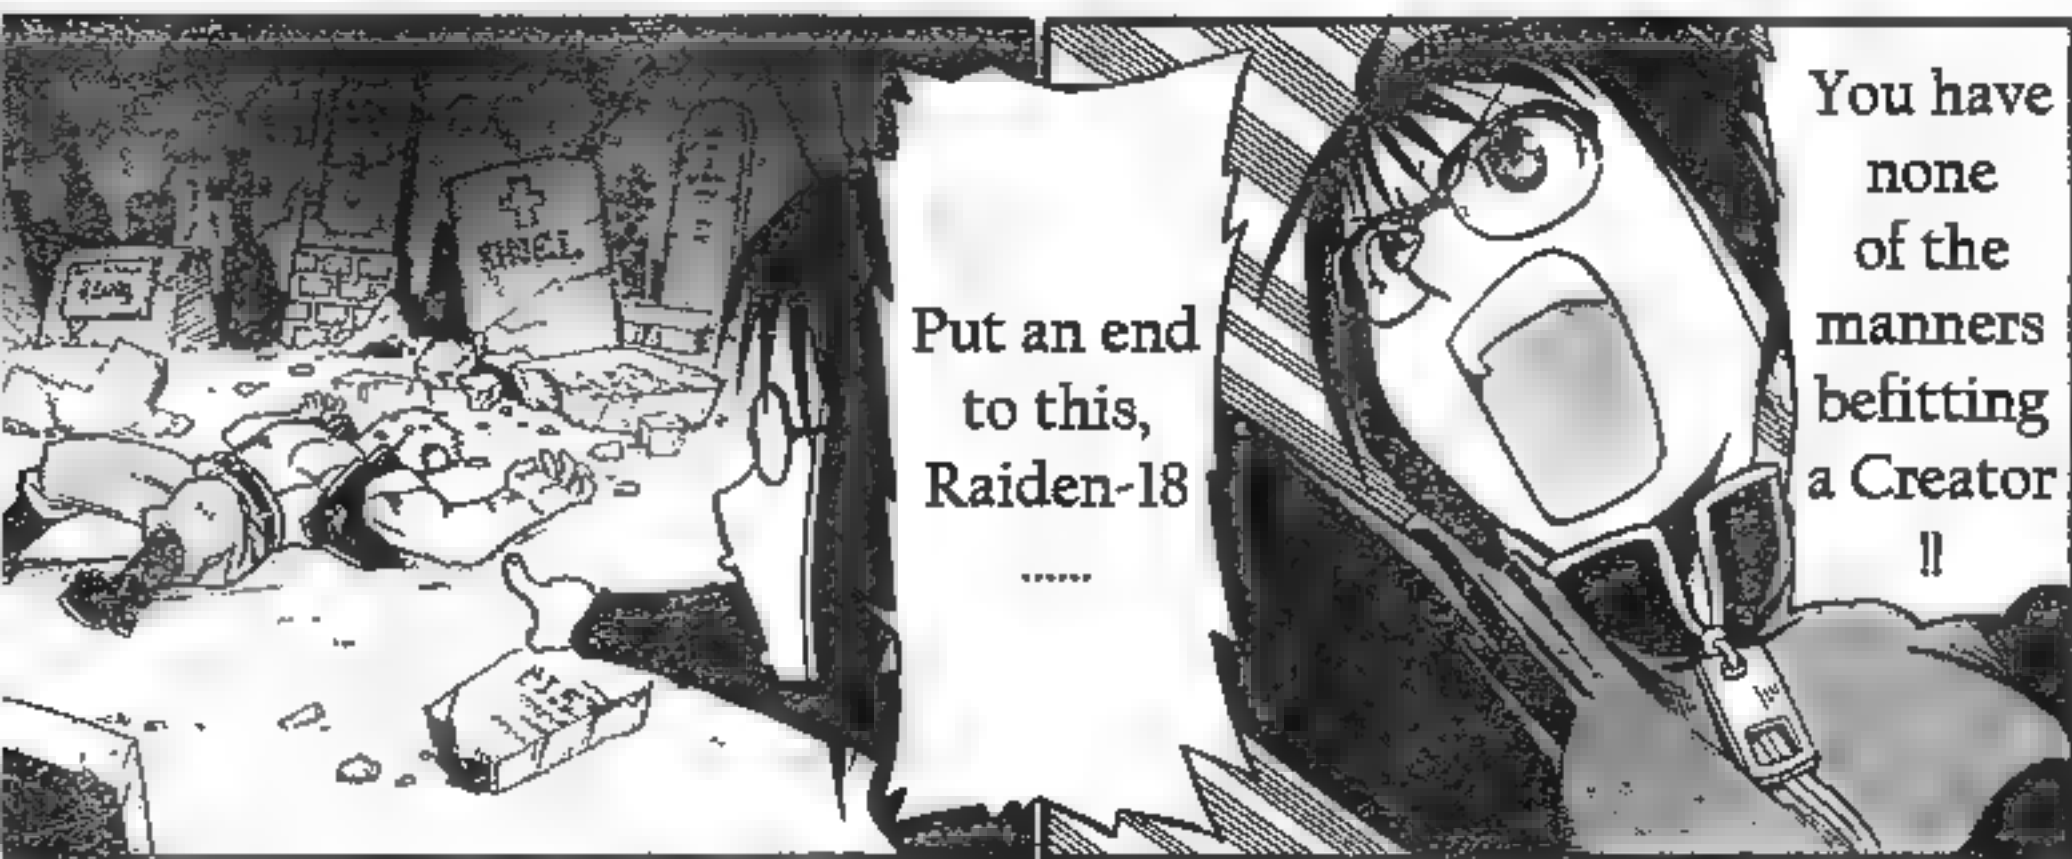

Je Taine-2
means that
there was a
Je Taine-1,
so
.....

Mmm?
Hold
on
.....

Booooooooooooo

Though this
doesn't vio-
late the tour-
ney's rules,
don't expect
us to cheer
for it
!!

Haha-
haha-
ha, look
!!

The Heavens
have judged
me to be re-
presentative
of right-
eousness
!!

*His bat-
tery is

.....

Please hold
on, doctor!!
Are you not
satisfied
with this
!!

An Arakawa Hiromu presentation again for the New Year Issue!!

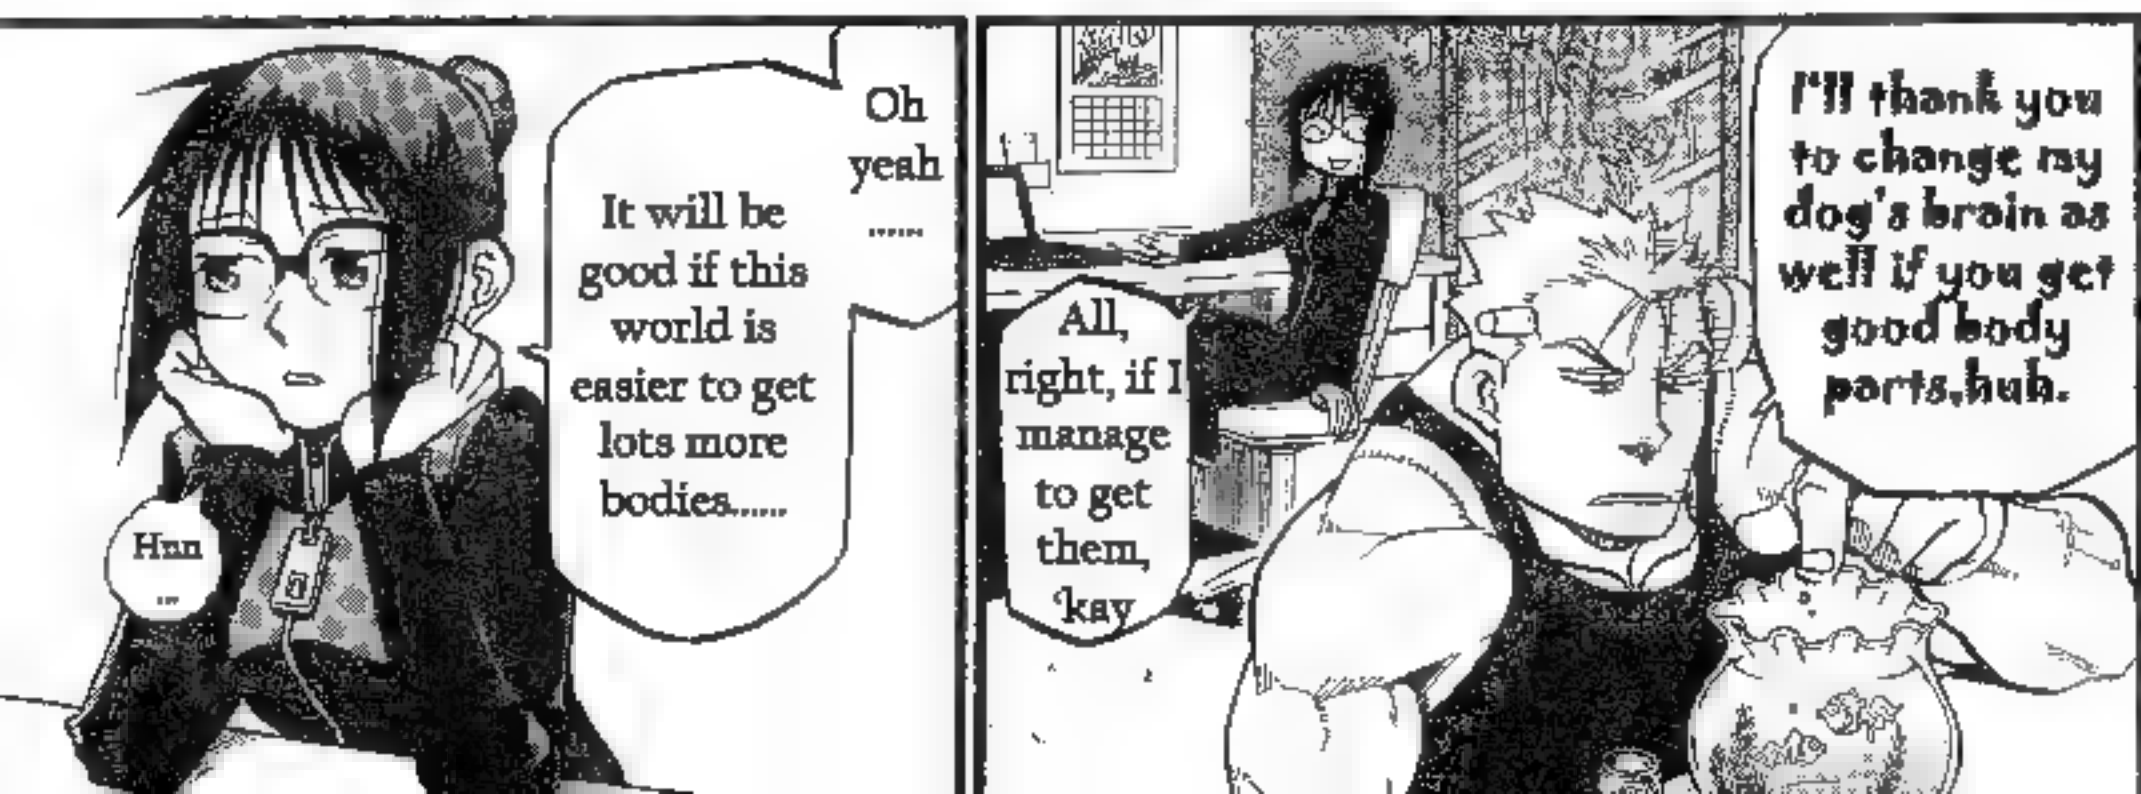

Mary Shelley
1797-1851

Mary Shelley

An English novelist. In 1818, she hit success with the publication of "Frankenstein, The Modern Prometheus", a tale of a scientist who made dead bodies alive again.

Later, many people took to calling solo lumbering creatures made by joining up dead bodies as "Frankensteins".

"Frankenstein" is the name of the novel's scientist, the proper term for such creatures should be "Frankenstein's Creatures".

Ahhh!

As you are related to this Tachibana family, moreover as you and I are both Creatures, it's expected I'll want to ask you.

That's right

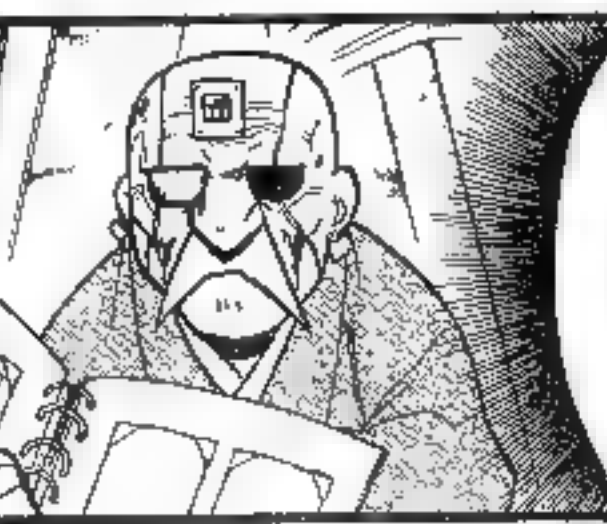

So

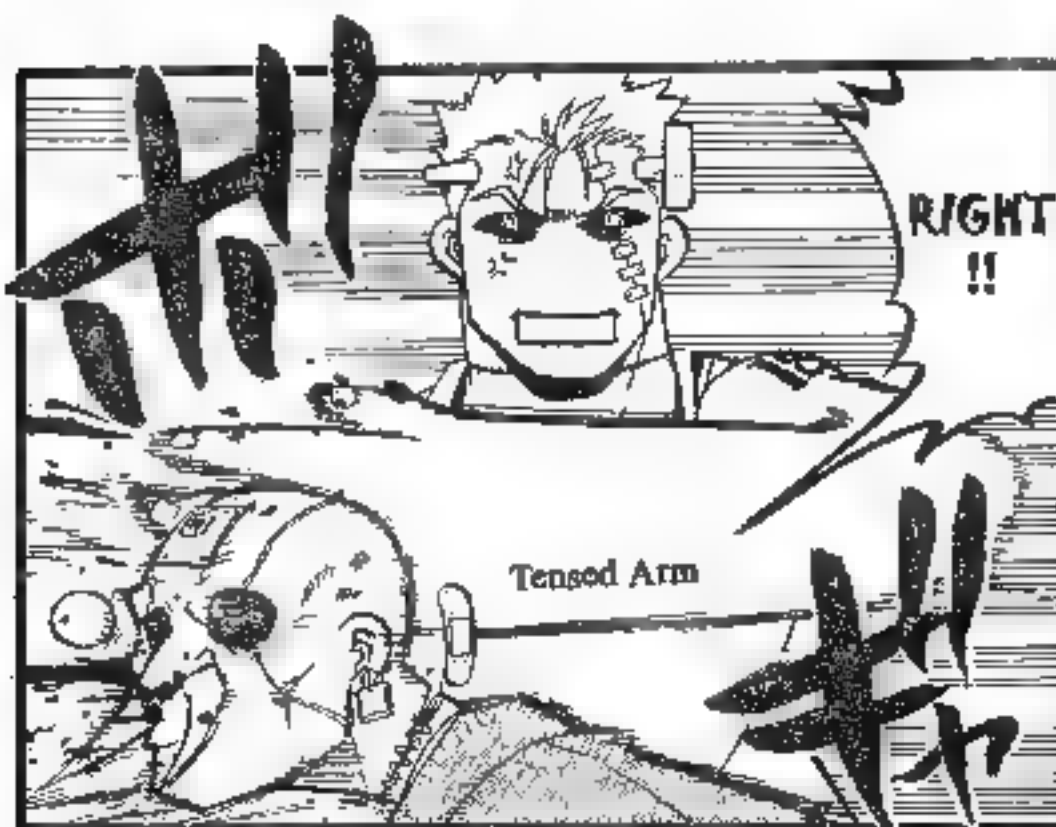

You have something to ask of Asao Tachibana ?

I'll come straight to the point, who is this Tachibana girl, eh.

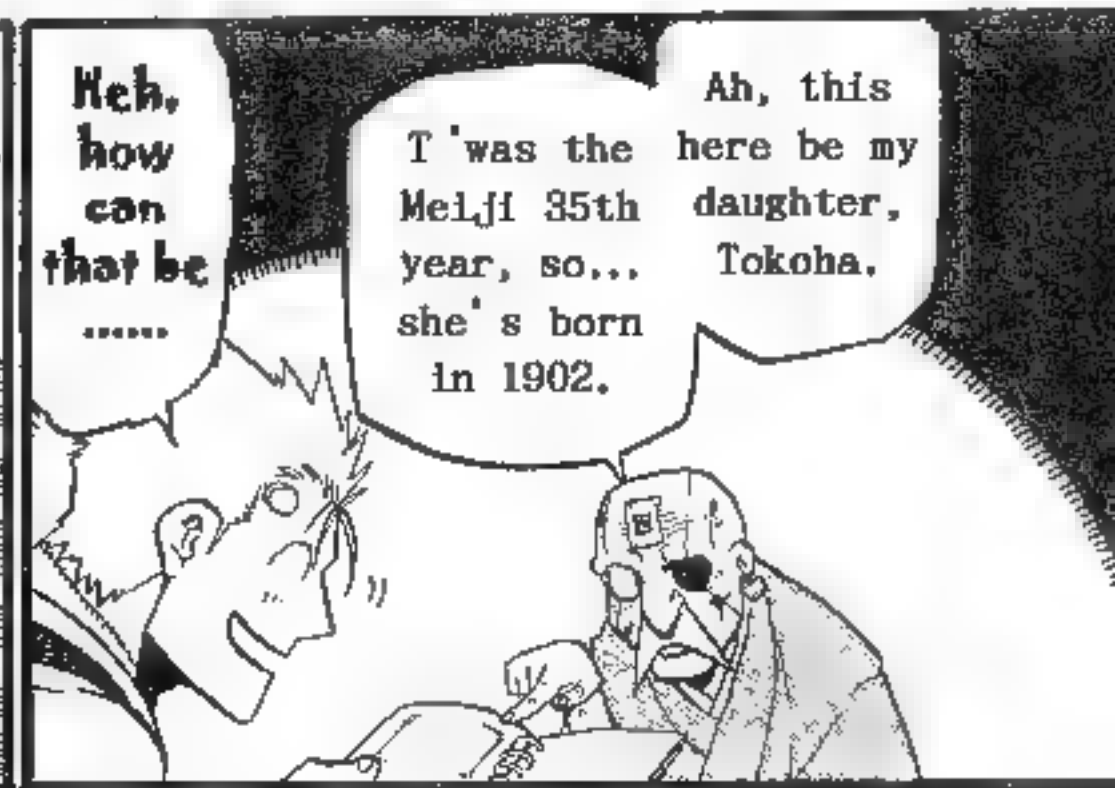

I'll dig out the fella's secrets, then we'll see who gets to control who !

RIGHT !!

Tensed Arm

Heh, how can that be

I was the Meiji 35th year, so... she's born in 1902.

Ah, this here be my daughter, Tokoha.

B

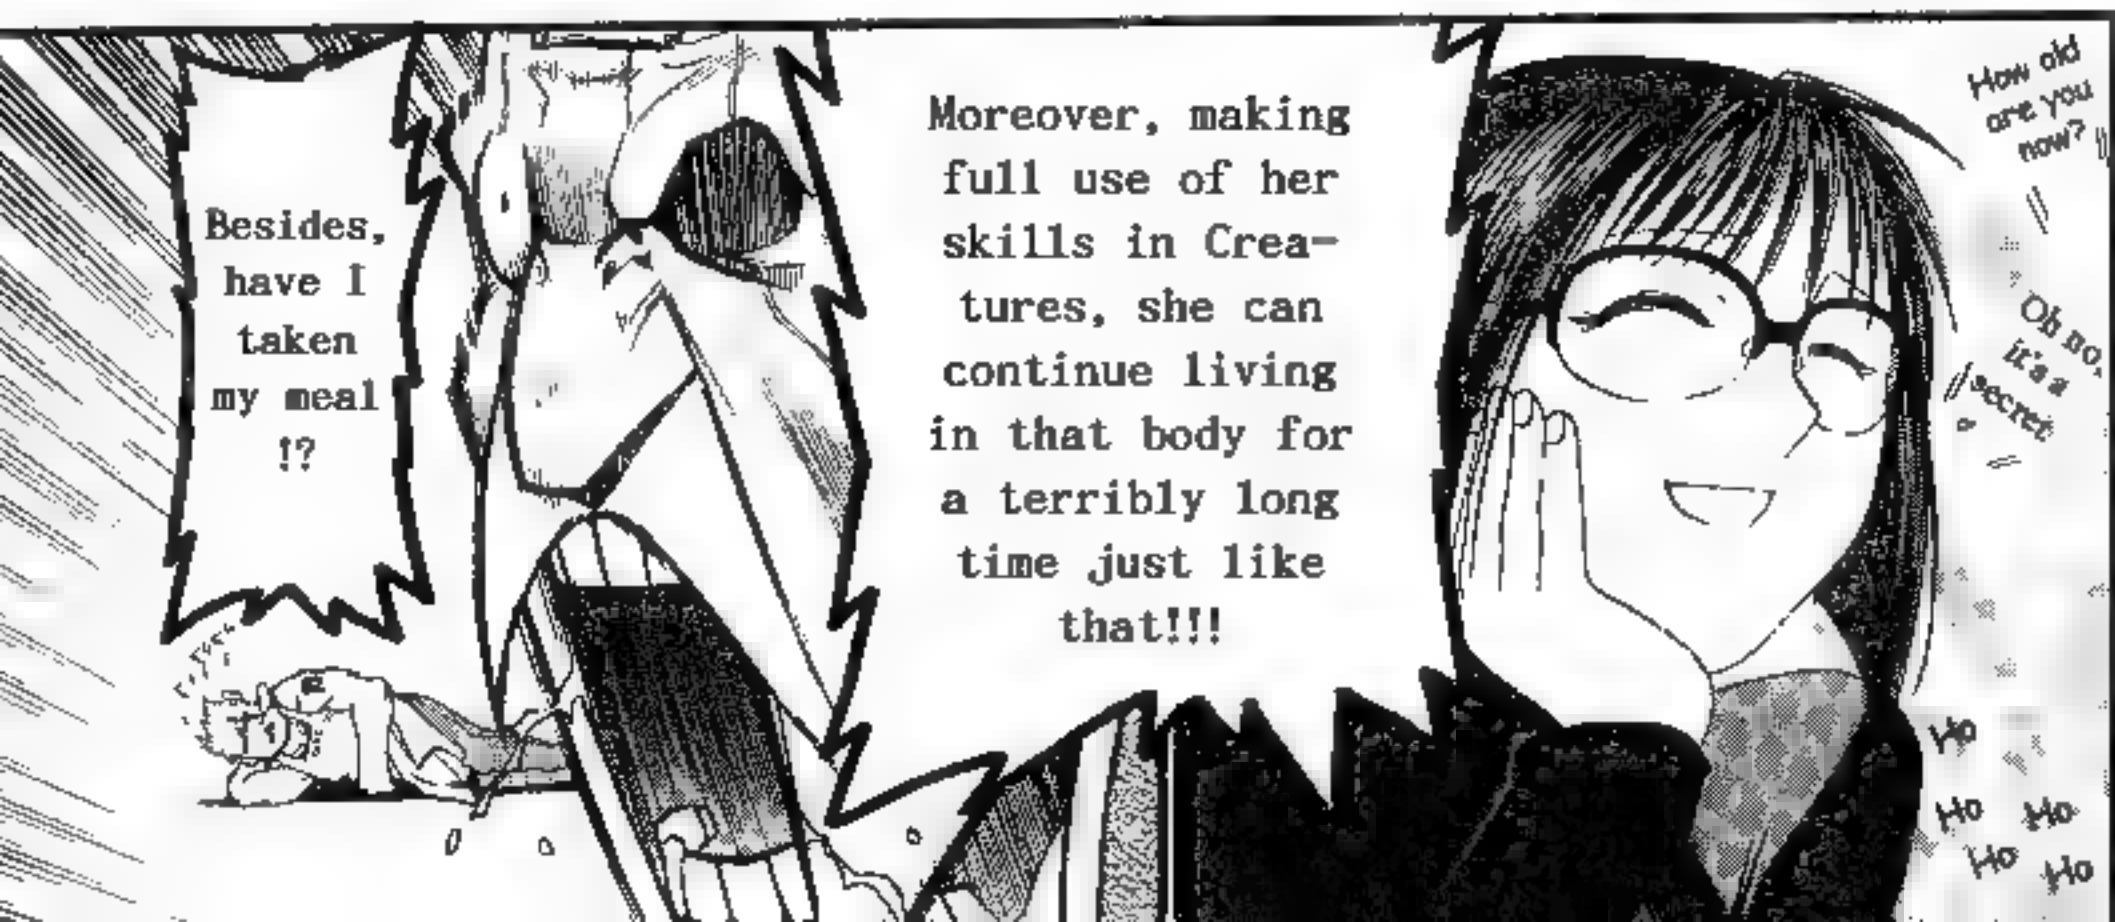

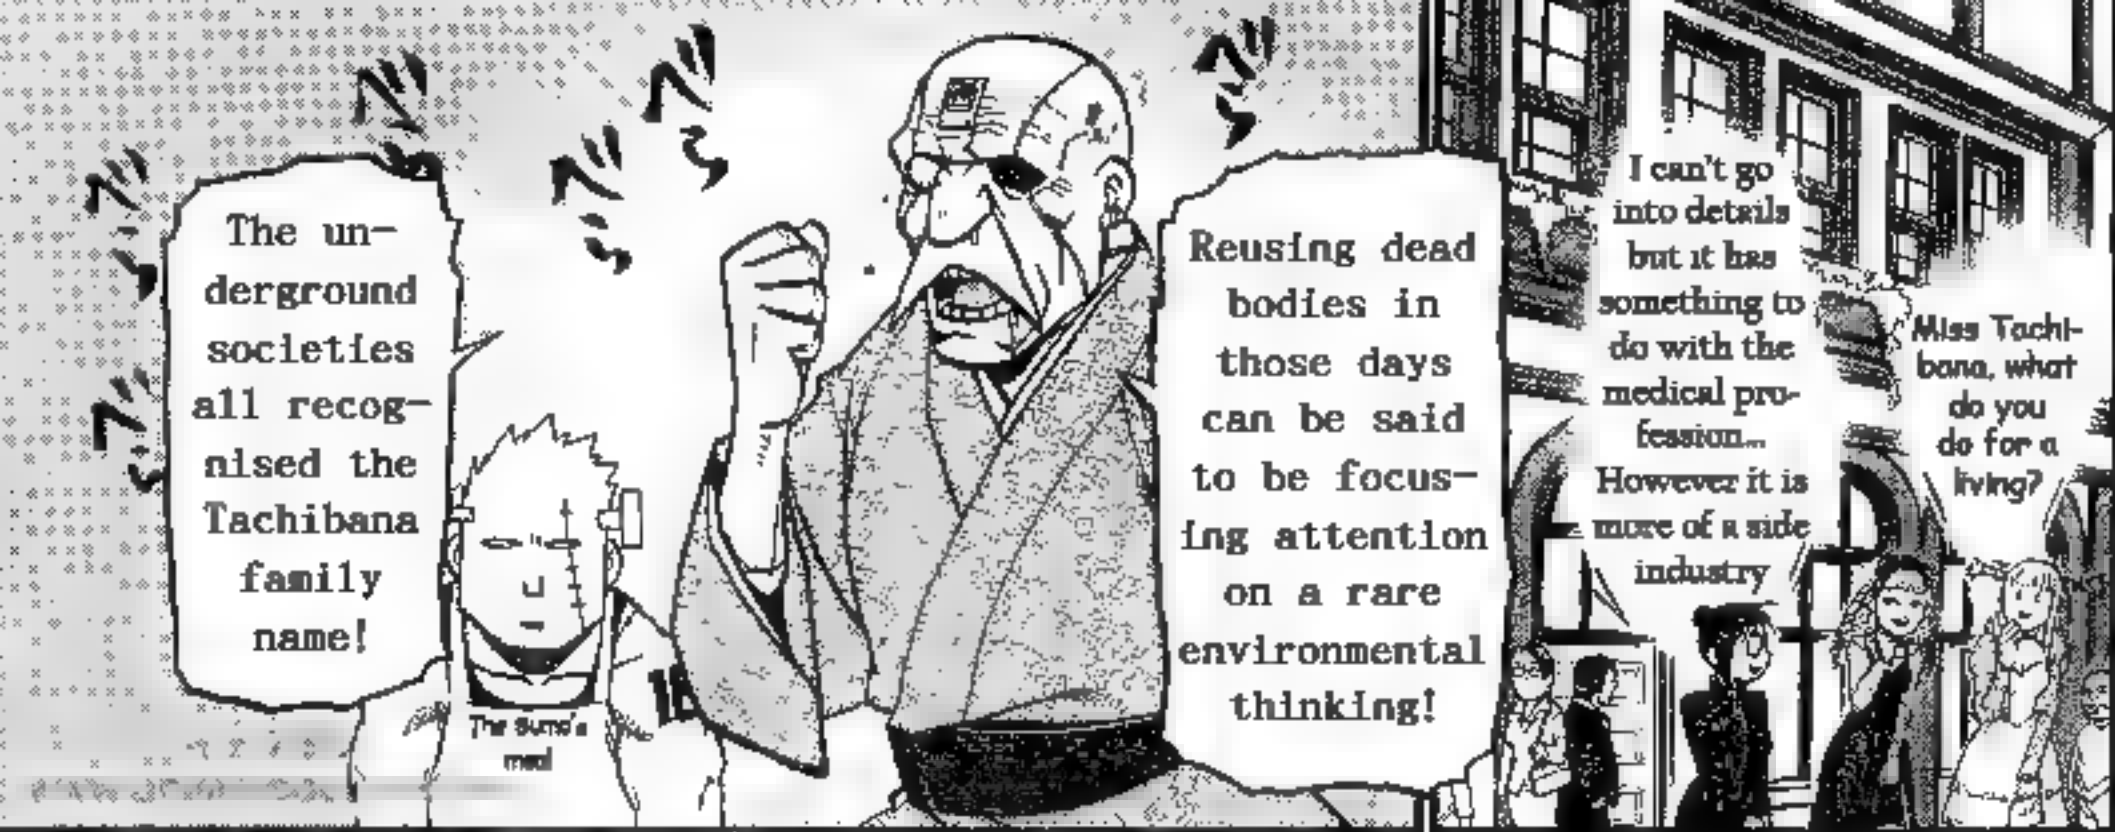

From the start, we Tachibanas have set our eyes exclusively to put human bodies to effective uses or as military armaments.

Since the end of the Tokugawa Shogunate, we started being a clan of Creature makers!!

Plop

Have you gone senile, old man !!!

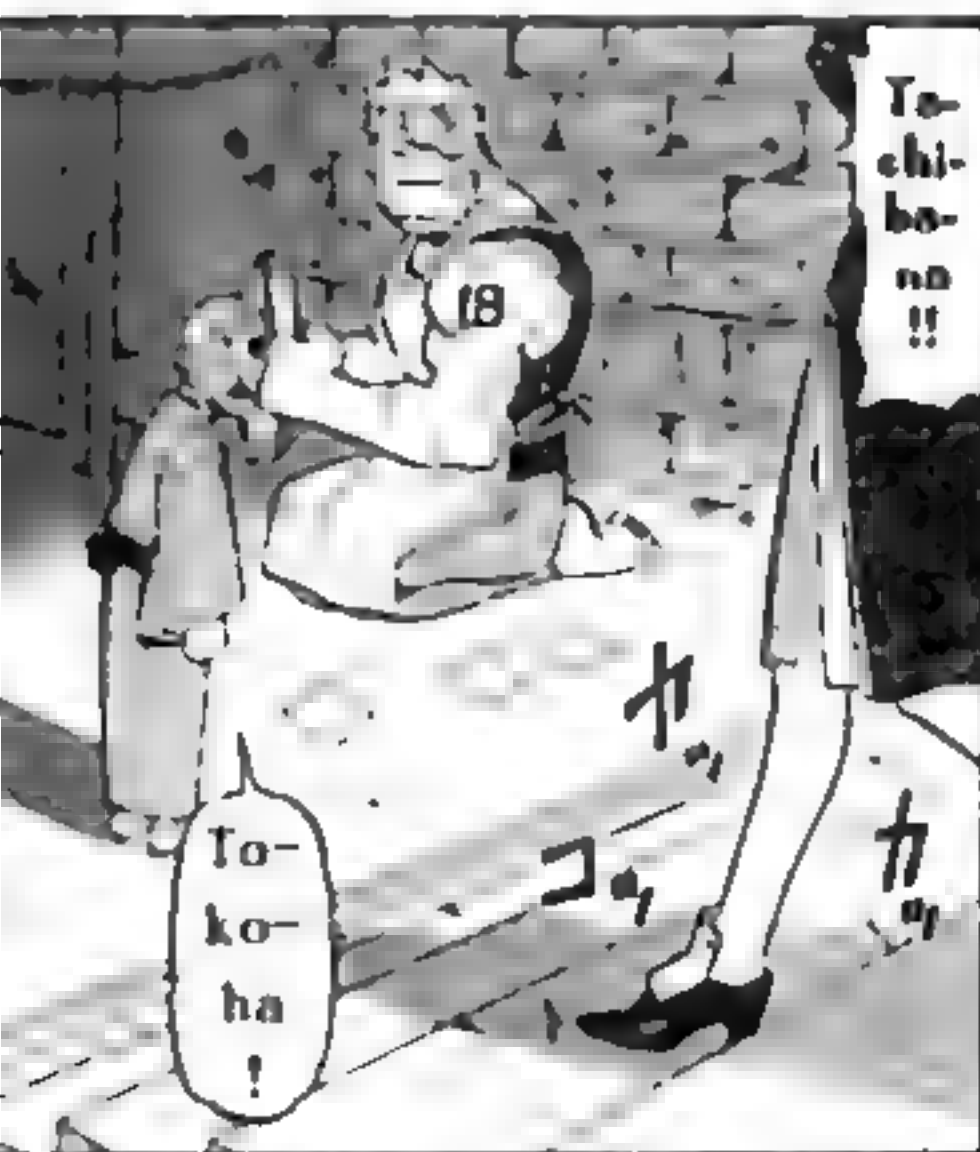

Ah damn,
I was look-
ing to have
wanted to
ask a really
old man

to know the ever body calls me uncle

Kee...
keep
what as
a secret?

Raiden, you're
a bright lad,
so you'll
keep this a
secret for me,
right.

Able to read
the situation
by only see-
ing this, she
probably
planned all
along to lie
about it

Really,
it is quite
tiring to
lie about
